Re: Amendment 2
RFP 22-VSW-SNP-034
Saint Paul Wastewater Lift Station Design and Construction Administration Services
RFP Due Date: March 11, 2022 @ 2:00 PM AST

The following are vendor questions and the department's response:

1. Vendor: Will you be using a purchasing contract on this project or any others that are listed on St. Paul's CIP?.

Department: In accordance with RFP Amendment 1 "The department is unable to answer material specification questions as a contractor has not been selected for this RFP design". Per the RFP "The department intends to issue an Invitation to Bid for a contractor to construct based on the final design."
