Re: Amendment 2  
ITB 22-VSW-UNK-039  
Pipe Order  
ITB Due Date: March 30, 2022 @ 2:00 PM AST

**The following are vendor questions and the department's response:**

1. Vendor: Can you please clarify if you are wanting us to bid on the straight arctic pipe only as listed on the bid schedule? Or are you wanting us to do a complete takeoff base upon the plans provided? The current bid schedule does not include any insulated fittings, joint kits, bare fittings, or appurtenances that will be required to install this pipe.

Department: Yes, bid only items in the bid schedule. This bid is just for the straight arctic pipe.
