Questions and answers

Question #1:

One additional question we have is on the 48 hour required delivery time. stated in this ITB.

Ted Stevens airport only accepts deliveries between 7:00 am and 3:00 pm an 8 hour window. To clarification this do we have 2 days / 16 hours for deliver the firm quantity or 6 days totaling 48 hours?

Answer #1:

Depending on the amount of the firm quantity of the order it would be 6 days. However if the firm amount for the first part of the order would be 150,000 then there is no way for a company to deliver the amount in the 6 day window.
