

NOTICE OF PROPOSED CHANGES TO THE ALASKA STATE SEAL OF BILITERACY
IN THE REGULATIONS OF THE
DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT

BRIEF DESCRIPTION: The proposed amendments would establish an Alaska state Seal of Biliteracy that recognizes students who have studied and attained proficiency in English language arts and at least one other world language by high school graduation.

The State Board of Education and Early Development proposes to adopt regulation 4 AAC 06.077, establishing an Alaska state Seal of Biliteracy that recognizes students who have studied and attained proficiency in English language arts and at least one other world language by high school graduation.

A Seal of Biliteracy program provides a framework, guidance, and encouragement to Alaska school districts interested in offering a Seal of Biliteracy to their students; as well as encourages students to pursue biliteracy, honors the skills our students attain, and provides evidence of skills that are attractive to future employers and school admissions offices.

A copy of the proposed regulation changes are available on the Alaska Online Public Notice System, at <https://education.alaska.gov/regs/comment.cfm>, and by contacting Janell Andrews at (907) 465-2800 or at deed.commissioner@alaska.gov.
