Questions submitted by potential offerors and answers from the state:

Question 1: Does the State have a current system that they are using for this purpose? If so, what is the name of the system?

Answer: The state currently uses Everbridge/Nixle for our mass communications tool.

Question 2: Does the State want the system to be web-based?

Answer: A web-based tool is preferred.

Question 3: Does the State want the solution to be IPAWS FEMA certified so emergency notifications would be free?

Answer: This is preferred, but it is not mandatory.

Question 4: Does the State want a software that you can create a single message that can be sent as either a text and email without having to compose 2 messages?

Answer: This is preferred, but it is not mandatory.
