**Amendment to SEC 3.08 Location of Work**

**SEC3.08 is amended and now reflects:**

The state will not provide workspace for the contractor. The contractor must provide its own workspace.

Per SEC 3.03 Deliverables, Travel Reimbursement, the contractor will be reimbursed for the following: transportation, lodging, and per diem costs sufficient to pay for one to two people to make two trips to Anchorage AK per year. Travel to other locations may be required as needed for conferences and meetings.

By signature on their proposal, the offeror certifies that all services provided under this contract by the contractor and all subcontractors shall be performed in the United States.

If the offeror cannot certify that all work will be performed in the United States, the offeror must contact the procurement officer in writing to request a waiver at least 10 days prior to the deadline for receipt of proposals.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

Failure to comply with these requirements may cause the state to reject the proposal as non-responsive or cancel the contract.
