Questions submitted by potential offerors and answers from the state:

Question 1: Number of consultants on-site. Under Location of Work, the IRFP states that the state will only pay for one person to travel for the site visit. Is this a firm requirement? We normally staff site visits for this type of work with a minimum of 2 staff members. If we are limited to one staff person, we would require that additional staff be able to participate via virtual/online meetings and that the meetings be recorded. Can you please let me know if this can be arranged if additional travel is not authorized?

Answer: The state will pay for up to two people.

Question 2: SEARCH travel policy follows the federal per diem and travel rates. Is this acceptable or does the state have other travel requirements?

Answer: Federal per diem and travel rates are acceptable.
