## Questions and Answers

**Question 1:** In the discounts section on the last page there is mention of including extended warranty for up to 5 years. However, the cost for the full 5 years if included in the main body of the quote for the system will be more than the \$99,500 specified as the maximum. I am trying to figure out how you would like to have the warranty options provided to you as part of our bid.

**Answer 1:** Page 2 of Item Description, Discounts. clarification:

Discounts:

Include statement of any discounts or trade in of one Ethos EZ Microwave.

Include a separate statement, not included in your primary quote, annual pricing for extended warranty/maintenance contract up to five years.

This separate statement will not be counted towards the not-to-exceed (NTE) amount of \$99,500.00 dollars and is optional.
