SEC. 1.02 DEADLINE FOR RECEIPT OF BIDS

Bids must be received no later than 3:00pm Alaska Time on June 9, 2022, at which time they will be publicly opened. Late bids or amendments will be disqualified and not opened or accepted for evaluation.

SEC. 1.03 PRIOR EXPERIENCE

For a bid to be considered responsive the bidder must meet these minimum prior experience requirements:

- 5 years' experience in a similar role providing janitorial services. References required.

A bidder's failure to meet these minimum prior experience requirements will cause their bid to be considered non-responsive and rejected. **Bidders must complete the Prior Experience Minimum Requirement Form, found in the attachments of this ITB.**

SEC. 1.04 INVITATION TO BID (ITB) REVIEW

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received

by the procurement officer at least ten days before the bid opening date by emailing eed.procurement@alaska.gov. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

SEC. 1.05 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS

All questions must be in writing and directed to the procurement officer via email at eed.procurement@alaska.gov. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over email. Other questions may be more complex and may require a written amendment to the ITB. The procurement officer will make that decision.

SEC. 1.06 SITE INSPECTION

Potential bidders are encouraged to visit the work site so that they can see the conditions under which the work described in this ITB will be performed. The bidder's failure to visit the work site will in no way relieve the bidder of the responsibility of performing the work in strict compliance with the true intent and meaning of the terms, conditions, and specifications of this ITB. The site may be inspected by contacting:

Clint Jefferson Farr
Operations Manager, DEED Division of Libraries, Archives, Museum
395 Whittier Street
Juneau AK 99811-0571
907-465-2912
clint.farr@alaska.gov

This contact person is only empowered to allow potential bidders to view the work site. The contact person cannot and will not answer potential bidder questions regarding the work to be performed under this ITB or the terms, conditions, and specifications of this ITB. Any questions potential bidders have must be directed to the procurement officer as required in Section 1.04.

SEC. 1.07 SUBMITTING BIDS

When submitting a bid, the bid must be emailed to eed.procurement@alaska.gov and must contain the ITB number in the subject line of the email, **ITB 2023-0500-5198**. The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above. **There are Four (4) forms required to submit a bid. 1) Page 1 of ITB, 2) Submittal Form A, 3) Bid Sheet, 4) Prior Experience Minimum Requirement.**

Please note that email transmission is not instantaneous. When you are emailing your bid, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of bid.

It is the bidder's responsibility to contact the issuing agency at 907-465-8654 to confirm that the bid has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

SEC. 4.11 CONTRACTOR SELECTION PROCESS

Once the contracts are established this selection process will be used. When the state needs security services the lowest priced contractor for that location will be contacted first. If, for any reason, the lowest contractor is not available to perform the needed service, the state will contact the next lowest priced contractor for that location. This process will continue until a contractor who can perform the service is located. The location of the contractor initially contacted will be determined by the starting location of the call-out. For instance, if a there was a need to transport a person from Anchorage to Fairbanks and then guard the person for two days in Fairbanks, the agency would contact Anchorage contractors, even though a substantial portion of the actual service would be performed in Fairbanks.

SEC. 4.12 NOTICE OF INTENT TO AWARD

After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. A copy of the Notice of Intent will be mailed to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the procurement officer. Failure to provide such specifications and descriptive literature may be cause for rejection of the offer.

Minor informalities that:

- do not affect responsiveness;
- are merely a matter of form or format;
- do not change the relative standing or otherwise prejudice other offers;
- do not change the meaning or scope of the RFP;
- are trivial, negligible, or immaterial in nature;

- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision;

If the offeror does not do these things, the information will become public after the Notice of Intent to Award is issued.
