IRFP 10-016-22 PRELIMINARY BEST INTEREST FINDINGS FOR NOME OFFSHORE MINING PROGRAM, NORTON SOUND, ALASKA

ADDENDUM 2

ISSUED MAY 26, 2022

This addendum is being issued to answer questions from vendors for this IRFP.

QUESTIONS SUBMITTED BY POTENTIAL OFFERORS AND ANSWERS FROM THE STATE:

Question 1: Our team was wanting to confirm the description of Section 3.07 Location of Work for IRFP 10-016-22. According to the IRFP, the price proposal should include travel for two to Norton Sound. Is this an absolute requirement for this project, or can travel be excluded if deemed unnecessary by the vendor? If the site visit is a requirement, what would the site visit entail or document? We are just wanting to clarify because the site visit is not outlined in the scope of work.

Answer 1: Travel can be excluded from the proposal if determined by vendor to be unnecessary.

Important Note to Offerors: This Addendum 2 is hereby made part of the IRFP.
