## SECTION 1. INTRODUCTION & INSTRUCTIONS

### SEC. 1.01 PURPOSE OF THE IRFP

The Office of Administrative Hearings is soliciting proposals for security risk assessment, action plan, and training.

The Office of Administrative Hearings estimates a budget not to exceed \$10,000.00 for the completion of this project.

Payment for the contract is subject to funds already appropriated and identified.

### SEC. 1.02 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must be received no later than 2:00 PM prevailing Alaska Time on **JUNE 14, 2022**. Late proposals or amendments will be disqualified and not opened or accepted for evaluation.

### SEC. 1.03 PRIOR EXPERIENCE

In order for offers to be considered responsive, the **lead consultant** must meet these minimum prior experience requirements:

- 3 years of prior working experience in conducting online training courses.
- 5 years of prior experience in security risk assessment.
  - *Experience with court or tribunal security/emergency preparedness is preferred.*
- 5 years of prior experience in developing written security infrastructure improvement recommendations.
  - *Experience with court or tribunal security/emergency preparedness is preferred.*

An offeror's failure to meet these minimum prior experience requirements will cause their proposal to be considered non-responsive and rejected.

### SEC. 1.04 REQUIRED REVIEW

Offerors should carefully review this solicitation for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material should be made in writing and received by the procurement officer at least ten days before the deadline for receipt of proposals. This will allow time for the issuance of any necessary amendments. It will also help prevent the opening of a defective proposal and exposure of offeror's proposals upon which award could not be made.

### SEC. 1.05 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF PROPOSALS

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing.

Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the IRFP. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the IRFP. The procurement officer will make that decision.

PROCUREMENT OFFICER: Lisa Trombi, [doa.oppm.procurement@alaska.gov](mailto:doa.oppm.procurement@alaska.gov)

## SEC. 1.06 RETURN INSTRUCTIONS

Offerors must submit their proposals electronically to the procurement officer in PDF format via email. The technical proposal and cost proposal must be saved as separate PDF documents and emailed to [doa.oppm.procurement@alaska.gov](mailto:doa.oppm.procurement@alaska.gov) as separate, clearly labeled attachments, such as "Vendor A – Technical Proposal.pdf" and "Vendor A – Cost Proposal.pdf" (Vendor A is the name of the offeror). The email must contain the IRFP number in the subject line.

The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the proposal exceeds this size, the proposal must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Similar to sending a hard copy proposal, if you are emailing your proposal, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror's responsibility to contact the issuing agency at [doa.oppm.procurement@alaska.gov](mailto:doa.oppm.procurement@alaska.gov) to confirm that the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

## SEC. 1.07 PROPOSAL CONTENTS

The following information must be included in all proposals.

### (a) AUTHORIZED SIGNATURE

All proposals must be signed by an individual authorized to bind the offeror to the provisions of the IRFP. Proposals must remain open and valid for at least 90-days from the date set as the deadline for receipt of proposals.

- E. all terms and conditions set out in this IRFP;
- F. a condition that the proposal submitted was independently arrived at, without collusion, under penalty of perjury; and

The procurement officer reserves the right to **consider a proposal non-responsive and reject it** or cancel the award if any interest disclosed from any source could either give the appearance of a conflict or cause speculation as to the objectivity of the contract to be performed by the offeror.

### SEC. 1.08 ASSISTANCE TO OFFERORS WITH A DISABILITY

Offerors with a disability may receive accommodation regarding the means of communicating this IRFP or participating in the procurement process. For more information, contact the procurement officer no later than ten days prior to the deadline for receipt of proposals.

### SEC. 1.09 AMENDMENTS TO PROPOSALS

Amendments to or withdrawals of proposals will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of proposals. - Deadline for Receipt of Proposals: **JUNE 14, 2022**
- Proposal Evaluation Committee complete evaluation approximately: **JUNE 17, 2022**

Upon written notice to the contractor, the state may set a different starting date for the contract. The state will not be responsible for any work done by the contractor, even work done in good faith, if it occurs prior to the contract start date set by the state.

### SEC. 1.12 ALTERNATE PROPOSALS

Offerors may only submit one proposal for evaluation.

In accordance with 2 AAC 12.830 alternate proposals (proposals that offer something different than what is asked for) will be rejected.

## SECTION 2. BACKGROUND INFORMATION

### SEC. 2.01 BACKGROUND INFORMATION

The Office of Administrative Hearings (OAH) is the State of Alaska executive branch's central hearing panel. A central panel is an independent adjudicative agency which hears executive branch appeals. As described by the National Judicial College, central panels are "panels of administrative law judges who, instead of being attached to a single administrative agency, are assigned to a 'central,' 'independent' panel that supplies administrative law judges to conduct contested case hearings for a variety of agencies." The main role of a central panel "is to provide fair adjudications and due process to both the litigating agencies and the public." Alaska's OAH is one of roughly 35 central panels nationwide, although the scope of such panels can vary greatly between states.

OAH was created "to increase the separation between the adjudicatory functions of executive branch agencies and the agencies' investigatory, prosecutory, and policy-making functions." In addition, by consolidating adjudicatory functions in a central panel, the creation of OAH has improved efficiency for agency hearings, resulting in overall cost savings to departments, boards, and commissions. By making OAH's services available to municipalities, school districts, and other government agencies on a cost-reimbursement basis, the legislature has also made these savings available to other state-related governmental units.

Created by statute in 2004, OAH handles more than 85 diversified types of cases, with disputes ranging in value from \$40 to \$800 million, and with roughly 1,500 new cases filed annually. OAH's administrative law judges conduct prehearing and hearing proceedings to hear and resolve disputes. The nature and scope of these proceedings vary by case type. In most types of cases, the OAH judge prepares a proposed decision for the final executive branch decisionmaker, such as a commissioner, board, or commission. In some other cases, OAH functions as the final administrative decisionmaker. In either instance, the end product is a final agency decision that can be appealed to Superior Court.

Facilitating tribunal hearing services is, by its very nature, a challenging and potentially dangerous task. OAH regularly interacts with clients, appellants, and the public. Many appellants are generally abrasive to the respective subject matter at hand, and some may even pose a risk to the safety of others. Judges, attorneys, representatives, and staff are at risk to threats, assaults, and intimidation as sensitive cases are processed and heard. It is imperative to have effective security measures in place, as security is an intangible quality that can most easily be defined by its breaches. OAH acknowledges security is not a one-time achievement. It is a serious and continuous goal that requires constant vigilance. The risks involved in our operations are great and varied, but, with proper attention and care, they can be minimized. The Office of Administrative Hearings is committed to taking meaningful steps toward full implementation of recommendations and ensuring safe and secure conduct of proceedings.

## SECTION 6. GENERAL PROCESS INFORMATION

### SEC. 6.01 ALASKA BUSINESS LICENSE AND OTHER REQUIRED LICENSES

Prior to the award of a contract, an offeror must hold a valid Alaska business license. However, in order to receive the Alaska Bidder Preference and other related preferences, such as the Alaska Veteran Preference and Alaska Offeror Preference, an offeror must hold a valid Alaska business license prior to the deadline for receipt of proposals. Offerors should contact the **Department of Commerce, Community and Economic Development, Division of Corporations, Business, and Professional Licensing, PO Box 110806, Juneau, Alaska 99811-0806**, for information on these licenses. Acceptable evidence that the offeror possesses a valid Alaska business license may consist of any one of the following:

- copy of an Alaska business license;
- certification on the proposal that the offeror has a valid Alaska business license and has included the license number in the proposal;
- a canceled check for the Alaska business license fee;
- a copy of the Alaska business license application with a receipt stamp from the state's occupational licensing office; or
- a sworn and notarized statement that the offeror has applied and paid for the Alaska business license.

You are not required to hold a valid Alaska business license at the time proposals are opened if you possess one of the following licenses and are offering services or supplies under that specific line of business:

- fisheries business licenses issued by Alaska Department of Revenue or Alaska Department of Fish and Game,
- liquor licenses issued by Alaska Department of Revenue for alcohol sales only,
- insurance licenses issued by Alaska Department of Commerce, Community and Economic Development, Division of Insurance, or
- Mining licenses issued by Alaska Department of Revenue.

Prior the deadline for receipt of proposals, all offerors must hold any other necessary applicable professional licenses required by Alaska Statute.

### SEC. 6.02 SITE INSPECTION

The state may conduct on-site visits to evaluate the offeror's capacity to perform the contract. An offeror must agree, at risk of being found non-responsive and having its proposal rejected, to provide the state reasonable access to relevant portions of its work sites. Individuals designated by the procurement officer at the state's expense will make site inspection.

### SEC. 6.03 CLARIFICATION OF OFFERS

In order to determine if a proposal is reasonably susceptible for award, communications by the procurement officer or the proposal evaluation committee (PEC) are permitted with an offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Clarifications may not result in a material or

substantive change to the proposal. The evaluation by the procurement officer or the PEC may be adjusted as a result of a clarification under this section.

## **SEC. 6.04 DISCUSSIONS WITH OFFERORS**

The state may conduct discussions with offerors in accordance with AS 36.30.240 and 2 AAC 12.290. The purpose of these discussions will be to ensure full understanding of the requirements of the IRFP and proposal. Discussions will be limited to specific sections of the IRFP or proposal identified by the procurement officer. Discussions will only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the procurement officer or the PEC. If modifications are made as a result of these discussions, they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions.

If an offeror does not submit a best and final proposal or a notice of withdrawal, the offeror's immediate previous proposal is considered the offeror's best and final proposal.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a proposal must be reduced to writing by the offeror.

## **SEC. 6.05 EVALUATION OF PROPOSALS**

The procurement officer, or an evaluation committee made up of at least three state employees or public officials, will evaluate proposals. The evaluation will be based solely on the evaluation factors set out in **SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION**.

After receipt of proposals, if there is a need for any substantial clarification or material change in the IRFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

## **SEC. 6.06 CONTRACT NEGOTIATION**

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, shall be within the scope of the request for proposals and limited to those items which would not have an effect on the ranking of proposals. If the highest-ranked offeror fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good faith, the state may terminate negotiations and negotiate with the offeror of the next highest-ranked proposal. If contract negotiations are commenced, they may be held via Microsoft Teams meeting.

## **SEC. 6.07 FAILURE TO NEGOTIATE**

If the selected offeror

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or

- if the offeror and the state, after a good faith effort, simply cannot come to terms,

the state may terminate negotiations with the offeror initially selected and commence negotiations with the next highest ranked offeror.

## SEC. 6.08 OFFEROR NOTIFICATION OF SELECTION

After the completion of contract negotiation, the procurement officer will issue a written Notice of Intent to Award (NIA) and send copies to all offerors. The NIA will set out the names of all offerors and identify the proposal selected for award.

## SEC. 6.09 PROTEST

2 AAC 12.695 provides that an interested party may protest the content of the IRFP or the award of a contract.

An interested party is defined in 2 AAC 12.990(a)(7) as “an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly the issuance of a contract solicitation, the award of a contract, or the failure to award a contract.”

Per 2 AAC 12.695, an interested party must first attempt to informally resolve the dispute with the procurement officer. If that attempt is unsuccessful, the interested party may file a written protest to the solicitation or the award of the contract. The protest must be filed with the Commissioner of the purchasing agency or the Commissioner’s designee. The protester must also file a copy of the protest with the procurement officer. The protest must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;
- identification of the contracting agency and the solicitation or contract at issue;
- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and
- the form of relief requested.

If an interested party wishes to protest the content of a solicitation, the protest must be filed before the date and time that proposals are due.

If an offeror wishes to protest the award of a contract not greater than \$50,000, the protest must be filed within 10 days from the date of the solicitation or award, whichever is later.

If an offeror wishes to protest the award of a contract greater than \$50,000, the protest must be filed within 10 days from the date that notice of award is made.

A protester must have submitted a proposal in order to have sufficient standing to protest the award of a contract.

The procurement officer shall immediately give notice of the protest to the contractor or, if no award has been made, to all offerors who submitted proposals.

If the protestor agrees, the Commissioner of the purchasing department or the Commissioner’s designee may assign the protest to the procurement officer or other state official for alternate dispute resolution. In other cases, the Commissioner or the Commissioner’s designee may issue a decision denying the protest and stating the

reasons for denial, issue a decision sustaining the protest, in whole or in part, and instruct the procurement officer to implement an appropriate remedy, or conduct a hearing using procedures set out in AS 36.30.670(b).

## SEC. 6.10 APPLICATION OF PREFERENCES

Certain preferences apply to all contracts for professional services, regardless of their dollar value. The Alaska Bidder, Alaska Veteran, and Alaska Offeror preferences are the most common preferences involved in the IRFP process. Additional preferences that may apply to this procurement are listed below. Guides that contain excerpts from the relevant statutes and codes, explain when the preferences apply and provide examples of how to calculate the preferences are available at the **Department of Administration, Division of Shared Service's** web site:

<http://doa.alaska.gov/dgs/pdf/pref1.pdf>

- Alaska Products Preference - AS 36.30.332
- Recycled Products Preference - AS 36.30.337
- Local Agriculture and Fisheries Products Preference - AS 36.15.050
- Employment Program Preference - AS 36.30.321(b)
- Alaskans with Disabilities Preference - AS 36.30.321(d)

The Division of Vocational Rehabilitation in the Department of Labor and Workforce Development keeps a list of qualified employment programs and individuals who qualify as persons with a disability. As evidence of a business' or an individual's right to the Employment Program or Alaskans with Disabilities preferences, the Division of Vocational Rehabilitation will issue a certification letter. To take advantage of these preferences, a business or individual must be on the appropriate Division of Vocational Rehabilitation list prior to the time designated for receipt of proposals. Offerors must attach a copy of their certification letter to the proposal. **An offeror's failure to provide this certification letter with their proposal will cause the state to disallow the preference.**

## Sec. 6.11 ALASKA BIDDER PREFERENCE

An Alaska Bidder Preference of 5% will be applied to the price in the proposal. The preference will be given to an offeror who:

- 1) holds a current Alaska business license prior to the deadline for receipt of proposals;
- 2) submits a proposal for goods or services under the name appearing on the offeror's current Alaska business license;
- 3) has maintained a place of business within the state staffed by the offeror, or an employee of the offeror, for a period of six months immediately preceding the date of the proposal;
- 4) is incorporated or qualified to do business under the laws of the state, is a sole proprietorship and the proprietor is a resident of the state, is a limited liability company (LLC) organized under AS 10.50 and all members are residents of the state, or is a partnership under AS 32.06 or AS 32.11 and all partners are residents of the state; and
- 5) if a joint venture, is composed entirely of ventures that qualify under (1)-(4) of this subsection.

### Alaska Bidder Preference Certification Form

In order to receive the Alaska Bidder Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this IRFP. An offeror does not need to complete the Alaska Veteran Preference questions on the form if not claiming the Alaska Veteran Preference. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

## SEC. 6.12 ALASKA VETERAN PREFERENCE

An Alaska Veteran Preference of 5%, not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and is a:

- A. sole proprietorship owned by an Alaska veteran;
- B. partnership under AS 32.06 or AS 32.11 if a majority of the partners are Alaska veterans;
- C. limited liability company organized under AS 10.50 if a majority of the members are Alaska veterans; or
- D. corporation that is wholly owned by individuals, and a majority of the individuals are Alaska veterans.

In accordance with AS 36.30.321(i), the bidder must also add value by actually performing, controlling, managing, and supervising the services provided, or for supplies, the bidder must have sold supplies of the general nature solicited to other state agencies, other government, or the general public.

### Alaska Veteran Preference Certification

In order to receive the Alaska Veteran Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this IRFP. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

## SEC. 6.13 ALASKA OFFEROR PREFERENCE

2 AAC 12.260(e) provides Alaska offerors a 10% overall evaluation point preference. Alaska bidders, as defined in AS 36.30.990(2), are eligible for the preference. An Alaska offeror will receive 10 percent of the total available points added to their overall evaluation score as a preference.

## SEC. 6.14 FORMULA USED TO CONVERT COST TO POINTS

The distribution of points based on cost will be determined as set out in 2 AAC 12.260(c). The lowest cost proposal will receive the maximum number of points allocated to cost. The point allocations for cost on the other proposals will be determined using the formula:

$$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Cost of Each Higher Priced Proposal})$$

## SEC. 6.15 EXAMPLES: CONVERTING COST TO POINTS & APPLYING PREFERENCES

### (a) FORMULA USED TO CONVERT COST TO POINTS

#### STEP 1

List all proposal prices, adjusted where appropriate by the application of applicable preferences claimed by the offeror.

Offeror #1	\$40,000
Offeror #2	\$42,750
Offeror #3	\$47,500

## STEP 2

In this example, the IRFP allotted 40% of the available 100 points to cost. This means that the lowest cost will receive the maximum number of points.

### **Offeror #1 receives 40 points.**

The reason they receive that amount is because the lowest cost proposal, in this case \$40,000, receives the maximum number of points allocated to cost, 40 points.

### **Offeror #2 receives 37.4 points.**

$\$40,000 \text{ lowest cost} \times 40 \text{ maximum points for cost} = 1,600,000 \div \$42,750 \text{ cost of Offeror \#2's proposal} = 37.4$

### **Offeror #3 receives 33.7 points.**

$\$40,000 \text{ lowest cost} \times 40 \text{ maximum points for cost} = 1,600,000 \div \$47,500 \text{ cost of Offeror \#3's proposal} = 33.7$

## **(b) ALASKA OFFEROR PREFERENCE**

### STEP 1

Determine the number of points available to qualifying offerors under this preference.

100 Total Points Available in IRFP x 10% Alaska offerors preference = 10 Points for the Preference

### STEP 2

Determine which offerors qualify as Alaska bidders and thus, are eligible for the Alaska offerors preference. For the purpose of this example, presume that all of the proposals have been completely evaluated based on the evaluation criteria in the IRFP. The scores at this point are:

Offeror #1	83 points	No Preference	0 points
Offeror #2	74 points	Alaska Offerors Preference	10 points
Offeror #3	80 points	Alaska Offerors Preference	10 points

### STEP 3

Add the applicable Alaska offerors preference amounts to the offeror's scores:

Offeror #1	83 points	
Offeror #2	84 points	(74 points + 10 points)
<b>Offeror #3</b>	<b>90 points</b>	<b>(80 points + 10 points)</b>

### STEP 4

**Offeror #3** is the highest scoring offeror and would get the award, provided their proposal is responsible and responsive.

## SECTION 7. GENERAL LEGAL INFORMATION

### SEC. 7.01 STANDARD CONTRACT PROVISIONS

The contractor will be required to sign and submit the State's Standard Agreement Form for Professional Services Contracts (form SAF.DOC/Appendix A) OR Standard Contract Form for Goods and Non-Professional Services (form SCF.DOC/Appendix A). This form is attached in **SECTION 8. EXHIBITS** for your review. The contractor must comply with the contract provisions set out in this attachment. No alteration of these provisions will be permitted without prior written approval from the Department of Law. Objections to any of the provisions in Appendix A must be set out in the offeror's proposal in a separate document. Please include the following information with any change that you are proposing:

1. Identify the provision the offeror takes exception with.
2. Identify why the provision is unjust, unreasonable, etc.
3. Identify exactly what suggested changes should be made.

### SEC. 7.02 QUALIFIED OFFERORS

Per 2 AAC 12.875, unless provided for otherwise in the IRFP, to qualify as an offeror for award of a contract issued under AS 36.30, the offeror must:

- 1) Add value in the contract by actually performing, controlling, managing, or supervising the services to be provided; or
- 2) Be in the business of selling and have actually sold on a regular basis the supplies that are the subject of the IRFP.

If the offeror leases services or supplies or acts as a broker or agency in providing the services or supplies in order to meet these requirements, the procurement officer may not accept the offeror as a qualified offeror under AS 36.30.

### SEC. 7.03 PROPOSAL AS PART OF THE CONTRACT

Part of all of this IRFP and the successful proposal may be incorporated into the contract.

### SEC. 7.04 ADDITIONAL TERMS AND CONDITIONS

The state reserves the right to add terms and conditions during contract negotiations. These terms and conditions will be within the scope of the IRFP and will not affect the proposal evaluations.

### SEC. 7.05 HUMAN TRAFFICKING

By signature on their proposal, the offeror certifies that the offeror is not established and headquartered or incorporated and headquartered in a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <https://www.state.gov/trafficking-in-persons-report/>

Failure to comply with this requirement will cause the state to reject the proposal as non-responsive or cancel the contract.

## SEC. 7.06 RIGHT OF REJECTION

Offerors must comply with all of the terms of the IRFP, the State Procurement Code (AS 36.30), and all applicable local, state, and federal laws, codes, and regulations. The procurement officer may reject any proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the IRFP.

Offerors may not qualify the proposal nor restrict the rights of the state. If an offeror does so, the procurement officer may determine the proposal to be a non-responsive counter-offer and the proposal may be rejected.

Minor informalities that:

- do not affect responsiveness;
- are merely a matter of form or format;
- do not change the relative standing or otherwise prejudice other offers;
- do not change the meaning or scope of the IRFP;
- are trivial, negligible, or immaterial in nature;
- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision;

may be waived by the procurement officer.

The state reserves the right to refrain from making an award if it determines that to be in its best interest.

**A proposal from a debarred or suspended offeror shall be rejected.**

## SEC. 7.07 STATE NOT RESPONSIBLE FOR PREPARATION COSTS

The state will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any proposal.

## SEC. 7.08 DISCLOSURE OF PROPOSAL CONTENTS

All proposals and other material submitted become the property of the State of Alaska and may be returned only at the state's option. AS 40.25.110 requires public records to be open to reasonable inspection. All proposal information, including detailed price and cost information, will be held in confidence during the evaluation process and prior to the time a Notice of Intent to Award is issued. Thereafter, proposals will become public information.

The Office of Procurement and Property Management (OPPM), or their designee recognizes that some information an offeror submits might be confidential under the United States or the State of Alaska Constitution, a federal statute or regulation, or a State of Alaska statute: i.e., might be confidential business information (CBI). *See, e.g.,* article 1, section 1 of the Alaska Constitution; AS 45.50.910 – 45.50.945 (the Alaska Uniform Trade Secrets Act); *DNR v. Arctic Slope Regional Corp.*, 834 P.2d 134, 137-39 (Alaska 1991). For OPPM or their designee to treat information an offeror submits with its proposal as CBI, the offeror must do the following when submitting their proposal: (1) mark the specific information it asserts is CBI; and (2) for each discrete set of such information, identify, in writing, each authority the offeror asserts make the information CBI. If the offeror does not do these things, the information will become public after the Notice of Intent to Award is issued. If the offeror does these things, OPPM or their designee will evaluate the offeror's assertion upon receiving a request for the information. If OPPM or their designee reject the assertion, they will, to the extent permitted by federal and State of Alaska

law, undertake reasonable measures to give the offeror an opportunity to object to the disclosure of the information.

## SEC. 7.09 ASSIGNMENTS

Per 2 AAC 12.480, the contractor may not transfer or assign any portion of the contract without prior written approval from the procurement officer. Proposals that are conditioned upon the state's approval of an assignment will be rejected as non-responsive.

## SEC. 7.10 DISPUTES

A contract resulting from this IRFP is governed by the laws of the State of Alaska. If the contractor has a claim arising in connection with the agreement that it cannot resolve with the state by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – AS 36.30.632. To the extent not otherwise governed by the preceding, the claim shall be brought only in the Superior Court of the State of Alaska and not elsewhere.

## SEC. 7.11 SEVERABILITY

If any provision of the contract is found to be invalid or declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and, the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.

## SEC. 7.12 SUPPLEMENTAL TERMS AND CONDITIONS

Proposals must comply with **SEC. 7.06 RIGHT OF REJECTION**. However, if the state fails to identify or detect supplemental terms or conditions that conflict with those contained in this IRFP or that diminish the state's rights under any contract resulting from the IRFP, the term(s) or condition(s) will be considered null and void. After award of contract:

if conflict arises between a supplemental term or condition included in the proposal and a term or condition of the IRFP, the term or condition of the IRFP will prevail; and

if the state's rights would be diminished as a result of application of a supplemental term or condition included in the proposal, the supplemental term or condition will be considered null and void.

## SEC. 7.13 FEDERALLY IMPOSED TARRIFFS

## APPENDIX A

### GENERAL PROVISIONS

#### Article 1. Definitions.

- 1.1 In this contract and appendices, "Project Director" or "Agency Head" or "Procurement Officer" means the person who signs this contract on behalf of the Requesting Agency and includes a successor or authorized representative.
- 1.2 "State Contracting Agency" means the department for which this contract is to be performed and for which the Commissioner or Authorized Designee acted in signing this contract.

#### Article 2. Inspections and Reports.

- 2.1 The department may inspect, in the manner and at reasonable times it considers appropriate, all the contractor's facilities and activities under this contract.
- 2.2 The contractor shall make progress and other reports in the manner and at the times the department reasonably requires.

#### Article 3. Disputes.

- 3.1 If the contractor has a claim arising in connection with the contract that it cannot resolve with the State by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – 632.

#### Article 4. Equal Employment Opportunity.

- 4.1 The contractor may not discriminate against any employee or applicant for employment because of race, religion, color, national origin, or because of age, disability, sex, marital status, changes in marital status, pregnancy or parenthood when the reasonable demands of the position(s) do not require distinction on the basis of age, disability, sex, marital status, changes in marital status, pregnancy, or parenthood. The contractor shall take affirmative action to insure that the applicants are considered for employment and that employees are treated during employment without unlawful regard to their race, color, religion, national origin, ancestry, disability, age, sex, and marital status, changes in marital status, pregnancy or parenthood. This action must include, but need not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The contractor shall post in conspicuous places, available to employees and applicants for employment, notices setting out the provisions of this paragraph.
- 4.2 The contractor shall state, in all solicitations or advertisements for employees to work on State of Alaska contract jobs, that it is an equal opportunity employer and that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, age, disability, sex, and marital status, changes in marital status, pregnancy or parenthood.
- 4.3 The contractor shall send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding a notice advising the labor union or workers' compensation representative of the contractor's commitments under this article and post copies of the notice in conspicuous places available to all employees and applicants for employment.
- 4.4 The contractor shall include the provisions of this article in every contract, and shall require the inclusion of these provisions in every contract entered into by any of its subcontractors, so that those provisions will be binding upon each subcontractor. For the purpose of including those provisions in any contract or subcontract, as required by this contract, "contractor" and "subcontractor" may be changed to reflect appropriately the name or designation of the parties of the contract or subcontract.
- 4.5 The contractor shall cooperate fully with State efforts which seek to deal with the problem of unlawful discrimination, and with all other State efforts to guarantee fair employment practices under this contract, and promptly comply with all requests and directions from the State Commission for Human Rights or any of its officers or agents relating to prevention of discriminatory employment practices.
- 4.6 Full cooperation in paragraph 4.5 includes, but is not limited to, being a witness in any proceeding involving questions of unlawful discrimination if that is requested by any official or agency of the State of Alaska; permitting employees of the contractor to be witnesses or complainants in any proceeding involving questions of unlawful discrimination, if that is requested by any official or agency of the State of Alaska; participating in meetings; submitting periodic reports on the equal employment aspects of present and future employment; assisting inspection of the contractor's facilities; and promptly complying with all State directives considered essential by any office or agency of the State of Alaska to insure compliance with all federal and State laws, regulations, and policies pertaining to the prevention of discriminatory employment practices.
- 4.7 Failure to perform under this article constitutes a material breach of contract.

#### Article 5. Termination.

The Project Director, by written notice, may terminate this contract, in whole or in part, when it is in the best interest of the State. In the absence of a breach of contract by the contractor, the State is liable only for payment in accordance with the payment provisions of this contract for services rendered before the effective date of termination.

#### Article 6. No Assignment or Delegation.

The contractor may not assign or delegate this contract, or any part of it, or any right to any of the money to be paid under it, except with the written consent of the Project Director and the Agency Head.

#### Article 7. No Additional Work or Material.

No claim for additional services, not specifically provided in this contract, performed or furnished by the contractor, will be allowed, nor may the contractor do any work or furnish any material not covered by the contract unless the work or material is ordered in writing by the Project Director and approved by the Agency Head.

**Article 8. Independent Contractor.**

The contractor and any agents and employees of the contractor act in an independent capacity and are not officers or employees or agents of the State in the performance of this contract.

**Article 9. Payment of Taxes.**

As a condition of performance of this contract, the contractor shall pay all federal, State, and local taxes incurred by the contractor and shall require their payment by any Subcontractor or any other persons in the performance of this contract. Satisfactory performance of this paragraph is a condition precedent to payment by the State under this contract.

**Article 10. Ownership of Documents.**

All designs, drawings, specifications, notes, artwork, and other work developed in the performance of this agreement are produced for hire and remain the sole property of the State of Alaska and may be used by the State for any other purpose without additional compensation to the contractor. The contractor agrees not to assert any rights and not to establish any claim under the design patent or copyright laws. Nevertheless, if the contractor does mark such documents with a statement suggesting they are trademarked, copyrighted, or otherwise protected against the State's unencumbered use or distribution, the contractor agrees that this paragraph supersedes any such statement and renders it void. The contractor, for a period of three years after final payment under this contract, agrees to furnish and provide access to all retained materials at the request of the Project Director. Unless otherwise directed by the Project Director, the contractor may retain copies of all the materials.

**Article 11. Governing Law; Forum Selection**

Unless specifically amended and approved by the Department of Law, the terms of this contract supersede any provisions the contractor may seek to add. The contractor may not add additional or different terms to this contract; AS 45.02.207(b)(1). The contractor specifically acknowledges and agrees that, among other things, provisions in any documents it seeks to append hereto that purport to (1) waive the State of Alaska's sovereign immunity, (2) impose indemnification obligations on the State of Alaska, or (3) limit liability of the contractor for acts of contractor negligence, are expressly superseded by this contract and are void.

**Article 13. Officials Not to Benefit.**

Contractor must comply with all applicable federal or State laws regulating ethical conduct of public officers and employees.

**Article 14. Covenant against Contingent Fees.**

The contractor warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee except employees or agencies maintained by the contractor for the purpose of securing business. For the breach or violation of this warranty, the State may terminate this contract without liability or in its discretion deduct from the contract price or consideration the full amount of the commission, percentage, brokerage or contingent fee.

**Article 15. Compliance.**

In the performance of this contract, the contractor must comply with all applicable federal, state, and borough regulations, codes, and laws, and be liable for all required insurance, licenses, permits and bonds.

**Article 16. Force Majeure:**

The parties to this contract are not liable for the consequences of any failure to perform, or default in performing, any of their obligations under this Agreement, if that failure or default is caused by any unforeseeable Force Majeure, beyond the control of, and without the fault or negligence of, the respective party. For the purposes of this Agreement, Force Majeure will mean war (whether declared or not); revolution; invasion; insurrection; riot; civil commotion; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment or labor because of priority, allocation or other regulations of any governmental authorities.
