*The following questions have been submitted by the vendor community, the state has provided answers below:*

**Question One:**

On Attachment C: Cost Proposal Form, Part Two: Hourly Rate Task, there are three job classes are listed for offerors to submit an hourly rate in the event additional services are required. However, as drafted, the IRFP does not limit to scope of the additional work and it is possible that our company would want to utilize other qualified staff for some tasks not only for additional work, but also for the primary task of updating the PP/TLD.

**Answer One:** Please see Change One below.

**Question Two:**

Do you expect only key staff to work on the primary task and other potential (related) tasks?

**Answer Two:** How the offeror chooses to deploy staff is a business decision to be made by the offeror.

**Question Three:** Do you not want rates for additional categories beyond key staff?

**Answer Three:** *Please see Change One below:*

**Question Four:** Other than Attachment C, Cost Proposal and Attachment J, Proposal Checklist, do we need return any of the other attachments or are they for informational purposes?

**Answer Four:** *Attachment C, Cost Proposal, Attachment I, Federal Lobbying for FTA 25D-304, and Attachment J, Proposal Checklist must be returned with the submission. The remaining attachments are informational but will be used during the solicitation or contract creation process.*

**Question Five:** Is it possible to extend the submission date?

**Answer Five:** *As seen above, the proposal due date has been revised to June 17, 2022 at 2:00PM Prevailing Alaska Time.*
