

Request for Information

State of Alaska
Department of Public Safety
Division of Administrative Services

Date Issued: June 6, 2022

TITLE OF THE PROJECT

Introduction:

The Department of Public Safety (DPS) is seeking information from qualified vendors who can provide Spidertracks hardware and software as a service products and services.

Background Information:

The DPS aircraft are equipped with the Spidertracks flight tracking devices. The devices provide a near real time position, altitude, and speed report that is viewable over a secure web-based site. These units are required to meet the critical needs of DPS operations.

Response Information:

Interested parties are invited to submit responses for:

- Identify the individual or firm name (including the business website address if applicable) with a contact person and their phone number and email address
- Provide a detailed description of your company's capabilities and experience related to providing the required Spidertracks products and services.

Responses to this RFI are for informational purposes only. Do not include cost estimates as they will not be considered in a response. Proprietary information, if any, should be minimized and **MUST BE CLEARLY MARKED**. Information not marked as proprietary may become public.

Interested parties must submit a written response no later than **2:00 PM Alaska Time, June 13, 2022**.

It is the responsibility of the interested party to follow up with the procurement specialist listed below to ensure your response was received prior to the time and date specified.

All questions must be direct to Jackie Lea, Procurement Specialist, via email to jacqueline.lea@alaska.gov.

This RFI does not extend any rights to prospective vendors or obligate the state to conduct a solicitation or purchase any goods or services. Nor will the state be financially responsible for any cost associated with the preparation of any response for the requested information. This RFI is issued for the sole purpose of obtaining information as described in this notice. The information obtained from this request may be used to prepare a purchase, contract, or solicitation in the future.
