Re: DCCED; Board of Pharmacy:
   amendment to 12 AAC 52 - licensing;
   emergency permits; license renewal;
   definitions

The Department of Law has reviewed the attached regulations of the Department of
Commerce, Community, and Economic Development against the statutory standards of the
Administrative Procedure Act. Based upon our review, we find no legal problems. This
memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that
authorizes your office to file the attached regulations.

The Department of Commerce, Community, and Economic Development adopted these
regulations after the close of the public comment period. These regulations amend 12 AAC 52 to
allow for temporary military courtesy licenses and emergency permits. Additionally, updates are
made to the standards for license renewal and the duties of the executive administer.

Both the February 3, 2022 public notice and the March 31, 2022 adoption order state that
this action is not expected to require an increased appropriation. Therefore, a fiscal note under
AS 44.62.195 is not required.

A number of technical edits are suggested to these regulations in accordance with
AS 44.62.125. None of these edits are substantive in nature.

NOTICE OF PROPOSED CHANGES IN THE REGULATIONS OF THE
ALASKA BOARD OF PHARMACY

BRIEF DESCRIPTION: The Board of Pharmacy proposes to update regulations regarding its qualifications and requirements to apply for an emergency permit and renewal application requirements for pharmacists, pharmacy technicians, pharmacies, outsourcing facilities, wholesale drug distributors, and third-party logistics providers. It also proposes to repeal the emergency courtesy license, update duties of its executive administrator as it relates to renewal application processing, and establish temporary courtesy licenses for an active duty military member or their spouse.

The Board of Pharmacy (Board) proposes to adopt regulation changes in Title 12, Chapter 52 of the Alaska Administrative Code including the following:

1. **12 AAC 52.105. Temporary military courtesy licenses,** is a proposed new section that establishes temporary courtesy licenses for an active duty military member or spouse of an active duty military member of the armed forces of the United States to practice as a pharmacist, pharmacy intern, or pharmacy technician. The proposed regulations will allow for an expedited temporary licensing pathway for those in the military and their spouse.

2. **12 AAC 52.110. Emergency permit to practice as a pharmacist, pharmacy intern, or pharmacy technician,** is proposed to amend the emergency permit language as the intent was duplicative to the emergency courtesy license option.

3. **12 AAC 52.300. License renewal,** is proposed to update language to be all inclusive of pharmacy license and registration types; clarifies renewal must be on department form; replaces copy of inspection report for pharmacies or facilities with an attestation; clarifies eligibility for renewal or new application required if there is a change; and adds administrative and executive administrator processing language.

4. **12 AAC 52.993. Executive administrator,** is proposed to amend the executive administrator’s duties by adding the ability to review and approve licenses or registrations as long as the applicant meets the requirements of the established checklist as codified in the regulations; clarifies role of executive administrator; creates efficiencies by allowing task delegation of the board to staff.
