This amendment is issued to answer questions submitted by the vendor community:

Question One: Would the state consider altering the vessel size and capacity for Lot 6-Valdez-Tatitlek-Valdez? The ITB require vessels to be 60 feet in length and have capacity for 50 passengers. Our vessel is a jet drive landing craft that is 45 feet long and can carry up to 20 passengers. Would this be acceptable for Lot 6?

Answer One: *Yes, the state is willing to modify the vessel size and capacity for Lot 6.*
