FINDING OF EMERGENCY

The Division of Elections finds that an emergency exists and that the attached regulations are necessary for the immediate preservation of the public peace, health, safety, or general welfare. The facts constituting the emergency include the following:

The State's primary election for state and federal offices and special general election for the U.S. House of Representatives will be held on August 16, 2022. Following the release of the 2020 U.S. Census, the Alaska Redistricting Board met to reapportion the state house and senate. The Board adopted Proclamations of Redistricting on November 10, 2021, April 13, 2022, and May 24, 2022. The May 24, 2022 Amended Interim Proclamation of Redistricting applies to the elections held in 2022 and subsequent years, unless it is replaced by another Proclamation.

The Division of Elections must use the May 24 Proclamation to designate precincts and conduct the elections on August 16. It must designate the precinct boundaries by regulation at least 40 days before these elections or by July 7, 2022. AS 15.10.020, AS 15.10.080. Because precinct regulations are necessary to the state and federal elections on August 16 and there is not enough time to adopt these regulations using the standard process before July 7, the Division has determined that it is necessary for the immediate preservation of the general welfare to adopt the new precinct boundaries as emergency regulations.

ADOPTION ORDER

Under the authority of AS 15.10.020 and AS 15.15.010, the attached 85 pages of regulation changes are therefore adopted as emergency regulations to take effect immediately upon filing by the lieutenant governor, as provided in AS 44.62.180(3).

This action is not expected to require an increased appropriation.
