

Notice of Depreciation Filing

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that on June 29, 2022, Chugach Electric Association, Inc. (Chugach) filed a petition to approve depreciation rates in compliance with Commission Order U-16-081(2). Docket No. U-22-034 was opened to address this matter.

Chugach has filed its 2021 Depreciation Study Update with the supporting pre-filed direct testimony of Jean Kornmuller and Dane Watson. Chugach states, "approval of the recommended depreciation rates results in a reduction to annual depreciation expense of approximately \$2.2 million."

Depreciation expense is a material cost of business that may be recovered through regulated utility rates. Changes in depreciation expense may lead to changes in the utility rates paid by consumers. The Commission may approve, deny, or modify, in whole or in part, the depreciation rates proposed by Chugach. The Commission may set conditions for approval.
