

SITKA SAWMILL CREEK ROAD

RESURFACING AND PEDESTRIAN IMPROVEMENTS

PROJECT INFORMATION

The Alaska Department of Transportation and Public Facilities, represented by proHNS LLC, in cooperation with Secon, Inc., is repaving and improving the south side of Sawmill Creek Road. This project will increase pedestrian accessibility in the area. Improvements include:

- Widening the sidewalks
- Installing a concrete median at the DeGroff Street intersection
- Replacing underground storm drains
- Adding bike lanes on both sides of the road
- Installing four crosswalks with flashing beacons, new signage, and additional lighting along the corridor
- Replacing school zone flashers and highway lighting
- Installing bump-outs around existing utility poles for ADA compliance
