RE: Project Name: Utquigvik Armory & Barracks Emergency Backup Generator
Project Number: 0261120002
Project Location: Utquigvik, Alaska

Addendum # One (1)

This addendum forms a part of the contract documents and modifies the original drawings and/or specifications for the subject work. In case of conflicts between this addendum and previously issued documents, this addendum shall take precedence.

The following additions are required:

1. The specifications in the General Requirements state that the Armory has a 200 amp single Phase service. The Armory has a 100 amp single phase and the barracks has a 200 amp single phase. An automatic ATS switch will be required for each service.

This addendum is considered part of the Request for Proposal (RFP) and is to be acknowledge on your bid proposal.

Please contact me if you have any questions.

Sincerely

Jay Friesen

Building Management Specialist
