Light Fixed Wing Training

RFP 2023-1200-0035

Amendment # 1

October 7, 2022

This amendment is being issued to update language to RFP and provide an updated Attachment 1 – Cost Proposal

Important Note to Offerors: You must sign and return this page of the amendment document with your proposal. Failure to do so may result in the rejection of your proposal. Only the RFP terms and conditions referenced in this amendment are being changed. All other terms and conditions of the RFP remain the same.

Changes to the RFP:

Change 1: Update the language of Section 3.01 Scope of Work to read, “The Contractor shall provide as-needed Emergency Maneuver Training (EMT) and Upset Recovery Training (URT) utilizing the Rich Stowell method *including any* as-needed specialized curriculum addressing the characteristics and tendencies of the diverse fleet of DPS aircraft.”

Change 2: Provide Attachment 1 – Cost Proposal – Amendment 1. This Cost Proposal must be used in response to the solicitation in order to be considered responsive.

Questions submitted by potential offerors and answers from the state:

Question 1: The offeror must identify all known federal requirements – what are they?

Answer: Proposals from potential vendors shall include any federal requirements of which they are aware, if any; this is a non-evaluated portion.
