

SUBMITTAL FORM C – Cost Proposal

RFP 2023-000-0067

INSTRUCTIONS: **Price the following two issuance types with a do-not-exceed pricing cap. Also include a roster of employees who will bill under the contract and their hourly rates for inclusion in the contract.**

Under the terms of the contract (*see Attachment 5 Standard AHFC Bond Counsel contract APPENDIX D Article 1.1*), AHFC will pay the Contrator hourly rates all-incusive of costs and fees up to the following maximum fee amounts per transaction type.

Should the time charged to a particular transaction not reach the established maximum, Contractor shall charge AHFC the lower fee .

For the purposes of proposal evaluation, the sum of the caps will be the **Cost Proposal Amount** and will be scored comparatively with the lowest cost sum receiving 200 points and all others scored in relation to that amount.

| Issuance Types | | Do not exceed Pricing Cap |
|----------------|---|---------------------------|
| 1 | First issue using substantially different security document | \$ |
| 2 | Subsequent issues without significant changes to security documents | \$ |
| | SUM (Cost used for purposes of proposal evaluation) | \$ |
