This is a notice of the state's intent to award a contract. The figures below tabulate the bids received with the apparent low bidder indicated. A bidder who wishes to protest this Notice of Intent must file the protest with the procurement officer within ten calendar days following the date of this notice. If the tenth day falls on a weekend or holiday, the last day of the protest period is the first working day following the tenth day. **The bidder identified below as the lowest responsive and responsible bidder is instructed not to proceed until a contract is awarded or the procurement officer gives another form of notice to proceed.** If the bidder proceeds before receiving a contract award or other form of notification to proceed, the bidder does so without a contract and at their own risk. AS 36.30.365.
