SECTION 1. INTRODUCTION & INSTRUCTIONS

SEC. 1.01 PURPOSE OF THE ITB

The Department of Military and Veterans Affairs, Alaska Military Youth Academy (AMYA), is soliciting bids from qualified offerors to provide entry level commercial driver training for a Commercial Driver's License (CDL), Class B with a P endorsement as specified in this ITB. Selected bidders will provide training as outlined in Section 2.10 of this ITB.

SEC. 1.02 DEADLINE FOR RECEIPT OF BIDS

Bids must be received no later than 2:00 pm Alaska Time on January 12, 2023. Late bids or amendments will be disqualified and not opened or accepted for evaluation.

A public bid opening will be held at 2:15 p.m. Alaska Time on January 12, 2023 at which time bids will be publicly opened. The public bid opening will be held in the B216 conference room on the 2nd floor of the Alaska National Guard Armory, 49000 Army Guard Road, Suite B216, Joint Base Elmendorf-Richardson, Alaska.

Bidders who have access to Joint Base Elmendorf-Richardson may attend the opening in person at their discretion. The Procurement Officer **will not** arrange base passes or otherwise provide access to Joint Base Elmendorf-Richardson for bidders who do not already have access to the base.

Bidders who do not have access to Joint Base Elmendorf-Richardson but are interested in attending the public opening must contact the Procurement Officer via email at MvaDasProcurement@alaska.gov for an invitation to the online opening on Microsoft Teams.

Bidders with a disability needing accommodation should contact the Procurement Officer prior to the date set for the public bid opening so that reasonable accommodation can be made.

SEC. 1.03 PRIOR EXPERIENCE

No specific minimums have been set for this ITB.

For a bidder to be found responsive, they must be listed on the FMCSA Training Provider Registry at the time of bid opening.

SEC. 1.04 INVITATION TO BID (ITB) REVIEW

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the procurement officer at least ten days before the bid opening date. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

SEC. 1.05 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone.

ITB 230000017, Entry Level CDL Training with Endorsements

Other questions may be more complex and may require a written amendment to the ITB. The procurement officer will make that decision.

SEC. 1.06 SUBMITTING BIDS

Bidders must submit one hard copy of their bid, in writing, to the procurement officer.

If submitting the bid in a sealed package, the package must be addressed as follows:

The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Similar to sending a hard copy bid, if you are emailing your bid, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of bid.

It is the bidder's responsibility to contact the issuing agency at 907-428-7224 to confirm that the bid has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

The procurement officer reserves the right to **consider a bid non-responsive and reject it** or cancel the award if any interest disclosed from any source could either give the appearance of a conflict or cause speculation as to the objectivity of the contract to be performed by the bidder.

FEDERAL REQUIREMENTS

The bidder must identify all known federal requirements that apply to the bid or contract.

A contract under this solicitation may involve access to, or performance of work on, a Federal military installation. In the interest of safety and security of the installation, Contractors and any employee accessing the installation are required complete Anti-Terrorism Level I training prior to beginning any work on a contract resulting from this solicitation. The online based training is free and can be accessed at <https://jko.jten.mil/courses/AT-level1/launch.html>. SEC. 1.08 PRICES

The bidder shall state prices in the units of issue on this ITB. Prices quoted in bids must be exclusive of federal, state, and local taxes. SEC. 1.11 AMENDMENTS TO THE ITB

If an amendment is issued, it will be provided to all who were notified of the ITB and to those who have registered with the procurement officer after receiving the ITB from the State of Alaska Online Public Notice website.

SEC. 1.12 ITB SCHEDULE

A month-to-month extension may only be executed by the procurement officer via a written contract amendment.

SEC. 2.05 CONTRACT CHANGES – UNANTICIPATED AMENDMENTS

During the course of this contract, the contractor may be required to perform additional work. That work will be within the general scope of the initial contract. When additional work is required, the state will provide the contractor a written description of the additional work and request the contractor to submit a firm time schedule for accomplishing the additional work and a firm price for the additional work. Cost and pricing data must be provided to justify the cost of such amendments per AS 36.30.400.

If the bidder cannot certify that all work will be performed in the United States, the bidder must contact the procurement officer in writing to request a waiver at least 10 days prior to the deadline for receipt of bids.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

Failure to comply with these requirements may cause the state to reject the bid as non-responsive, or cancel the contract.

SEC. 2.09 RIGHT TO INSPECT PLACE OF BUSINESS

At reasonable times, the state may inspect those areas of the contractor's place of business that are related to the performance of a contract. If the state makes such an inspection, the contractor must provide reasonable assistance.

SEC. 2.10 SCOPE OF WORK AND SPECIFICATIONS

The Alaska Military Youth Academy (AMYA) operates a fleet of buses used to transport students, age 16-19, and adults. Team Leaders at AMYA are responsible for the operation of these buses. It is required that new Team Leaders obtain their CDL within 90 days of hire. On February 7, 2022 the Entry-Level Driver Training regulations changed and now formalized training is required. With about a 30 percent turnover rate of Team Leaders each year, AMYA expects to send approximately 10 to 12 new Team Leaders to Entry Level Drivers Training throughout the year.

Selected contractor(s) will provide entry-level driver training for a Commercial Driver's License (CDL), Class B with a P endorsement. Provided training must include both:

1. Theory Training – Topics include:

- Basic Operation
- Safe Operating Procedures
- Advanced Operation Procedures

SEC. 2.11 CONTINUING OBLIGATION OF CONTRACTOR

Notwithstanding the expiration date of a contract resulting from this ITB, the contractor is obligated to fulfill its responsibilities until warranty, guarantee, maintenance, and parts availability requirements have completely expired.

SEC. 2.12 ESTIMATED QUANTITIES

The quantities referenced in this ITB are the state's estimated requirements and may vary more or less from the quantities actually purchased. The state does not guarantee any minimum or maximum purchase. Orders will be issued throughout the contract period on an as-needed basis.

SEC. 2.13 INFORMAL DEBRIEFING

When the contract is completed, an informal debriefing may be performed at the discretion of the procurement officer. If performed, the scope of the debriefing will be limited to the products provided or work performed by the contractor.

SEC. 2.14 INDEMNIFICATION

The contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission or negligent act of the contractor under this agreement. The contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the contractor and the independent negligence of the contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis.

“Contractor” and “contracting agency”, as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term “independent negligence” is negligence other than in the contracting agency’s selection, administration, monitoring, or controlling of the contractor and in approving or accepting the contractor’s work.

SEC. 2.15 INSURANCE

Without limiting the contractor's indemnification, it is agreed that the contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the contractor's policy contains higher limits, the state shall be entitled to coverage to the extent of such higher limits.

Certificates of Insurance must be furnished to the procurement officer prior to contract approval and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

Proof of insurance is required for the following:

- Workers' Compensation Insurance: The contractor shall provide and maintain, for all employees engaged in work under this contract, coverage as required by AS 23.30.045, and; where applicable, any other statutory obligations including but not limited to Federal U.S.L. & H. and Jones Act requirements. The policy must waive subrogation against the state.
- Commercial General Liability Insurance: covering all business premises and operations used by the contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per occurrence.
- Commercial Automobile Liability Insurance: covering all vehicles used by the contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per occurrence.

END OF SECTION 2.

SECTION 3. CONTRACT INVOICING AND PAYMENTS

SEC. 3.01 BILLING INSTRUCTIONS

Invoices must be billed to the ordering agency's address shown on the individual Purchase Order, Contract Award or Delivery Order. The state will make payment after it receives the goods or services and the invoice. Questions concerning payment must be addressed to the ordering agency.

Payment for agreements under \$500,000 for the undisputed purchase of goods or services provided to a state agency, will be made within 30 days of the receipt of a proper billing or the delivery of the goods or services to the location(s) specified in the agreement, whichever is later. A late payment is subject to 1.5% interest per month on the unpaid balance. Interest will not be paid if there is a dispute or if there is an agreement that establishes a lower interest rate or precludes the charging of interest.

Any single contract payments of \$1 million or higher must be accepted by the contractor via Electronic Funds Transfer (EFT).

SEC. 3.03 THIRD-PARTY FINANCING AGREEMENTS NOT ALLOWED

Because of the additional administrative and accounting time required of the state when third party financing agreements are permitted, they will not be allowed under this contract.

END OF SECTION 3.

As evidence of a company's right to the preferences, the Division of Vocational Rehabilitation will issue a certification letter. **To take advantage of the preferences**, a bidder must be on the appropriate Division of Vocational Rehabilitation list at the time the bid is opened **and must attach** a copy of their certification letter to their bid. **The bidder's failure to provide this certification letter with their bid will cause the state to disallow the preference.**

SEC. 4.08 EXTENSION OF PRICES

In case of error in the extension of prices in the bid, the unit prices will govern; in a lot bid, the lot prices will govern.

SEC. 4.09 METHOD OF AWARD

This contract is a **FIRM FIXED PRICE** contract.

SEC. 4.10 CONTRACTOR SELECTION PROCESS

The Master Agreement (MA) contract resulting from the ITB may be a multiple award contract. The state will issue a contract to a maximum of 6 responsive, responsible bidders. The MA contract resulting from this ITB is based on the accepted "Unit Cost Per Person" cost in the bidder's Bid Schedule.

Once the contracts are established this selection process will be used. When the state needs training services the lowest priced contractor will be contacted first. If, for any reason, the lowest contractor is not available to perform the needed service, the state will contact the next lowest priced contractor. This process will continue until a contractor who can perform the service is located. The selected contractor will be issued a Delivery Order (DO) with the Task Order detailing the requirement.

SEC. 4.11 NOTICE OF INTENT TO AWARD

After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. It lists the name of each company or person that offered a bid and the price they bid. It also provides notice of the state's intent to award a contract(s) to the bidder(s) indicated. A copy of the Notice of Intent will be mailed to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the procurement officer. A company or person who proceeds prior to receiving a Purchase Order, Contract Award, Lease, or some other form of written notice from the procurement officer does so without a contract and at their own risk.

ITB 230000017, Entry Level CDL Training with Endorsements

- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision;

For OPPM or their designee to treat information an offeror submits with its proposal as CBI, the offeror must do the following when submitting their proposal: (1) mark the specific information it asserts is CBI; and (2) for each discrete set of such information, identify, in writing, each authority the offeror asserts make the information CBI. If the offeror does not do these things, the information will become public after the Notice of Intent to Award is issued. If the offeror does these things, OPPM or their designee will evaluate the offeror's assertion upon receiving a request for the information. If OPPM or their designee reject the assertion, they will, to the extent permitted by federal and State of Alaska law, undertake reasonable measures to give the offeror an opportunity to object to the disclosure of the information.
