Questions submitted by potential offerors and answers from the Trust:

Question 1: The scope of work requires visiting each Designated Evaluation and Treatment/Stabilization (DET/DES) facility. Are YKHC and Peace Health Ketchikan considered to be DES facilities?

Answer: Peace Health Ketchikan is a DES facility. The current DET's are Fairbanks Memorial Hospital (Fairbanks), Mat-Su Regional Medical Center (Wasilla), Bartlett Regional Hospital (Juneau), and Alaska Psychiatric Institute (Anchorage). If another facility (such as The Yukon-Kuskokwim Health Corporation) becomes designated, the successful offeror must also visit that facility.

Item 3 of Section 3.01 Scope of Work, page 12 of the RFP, states that the successful offeror shall, "Visit each Designated Evaluation and Treatment/Stabilization (DET/DES) facility (including existing and any new ones that may be approved during the contract period) with designated Department representatives."
