Amendment # One (1)

The Department of Corrections is issuing this Amendment to the Request for Proposals for the above project to address submitted questions and answers as shown below:

Q&A:

Q: Is it acceptable to submit the proposal by email only?

A: Yes, submitting a proposal via email is acceptable. See SEC 1.07 for more details.

Q: RFP SEC. 3.02 states that the DOC can provide the contractor a copy of the current standards of care manual. Given that SEC.3.04 states that the contractor will provide and deliver recommendations and revisions to existing department sex offender management policies and procedures and that drafts must be consistent with State of Alaska statutes/regulations and relevant case law, will the department provide these documents to the contractor as well?

A: A copy of these documents will be provided upon request.

END OF AMENDMENT #1
