Amendment # One (1 - CORRECTED)

The Department of Corrections is issuing this Amendment to the Request for Proposals for the above project to address submitted questions and answers as shown below:

Q&A:

Q: Is it acceptable to submit the proposal by email only?

A: Yes, submitting a proposal via email is acceptable. See SEC 1.07 for more details.

Q: RFP SEC. 3.02 states that the DOC can provide the contractor a copy of the current standards of care manual. Given that SEC.3.04 states that the contractor will provide and deliver recommendations and revisions to existing department <u>sex offender management policies and procedures</u> and that drafts must be consistent with <u>State of Alaska statutes/regulations and relevant case law</u>, will the department provide these documents to the contractor as well?

A: A copy of the SOMP Standards and Department Policies and Procedures will be provided upon request to the Procurement Officer. All other State statutes/regulations and relevant case law is the contractor's responsibility to obtain.
