Question asked by potential offeror and answer from the state:

Question 1: Can you give an approximate date range for the first iteration of this contract (section referenced below)?

Sec. 3.03 - Deliverables

• On or about week eight (8) of each Term, contractor(s) will coordinate with AMYA staff to give a pre-presentation to the Alaska Military Youth Academy (AMYA) Cadet Corp. • During Weeks 19-21 of each Term, selected Cadets will receive vocational training/education Monday through Friday; 8:00a.m. to 5:00p.m. with ½ hour for lunch. Training will not be conducted on State of Alaska recognized holidays unless both parties agree to conduct training on the holiday.

Answer: Ideally the initial pre-presentation for Week 8 would be scheduled for March 6-10, 2023. However, because of the solicitation and award process this may not occur until the week of March 13, 2023, and may not be held at all for the current class depending on AMYA's schedule. The schedule for the current AMYA class Weeks 19-21 are May 21, 2023 through June 9, 2023.

There are NO changes to the RFP at this time.
