The DD Vision

Alaskans share a Vision of a flexible system in which each person directs their own supports, based on their strengths and abilities, toward a meaningful life in their home, their job, and their community.

Our Vision includes supported families, professional staff, and services available throughout the state now and into the future.

The council is interested in **your ideas** on how to improve home and community-based waiver services and fulfill the DD Vision!

Equal Opportunity Program: ASL and other reasonable accommodations are available upon request. Call: (907) 269-8990 by February 06, 2023.
