**Question #1**

Would you consider a bid extension? We are having a difficult time finalizing transportation to one of the remote locations. Our regular vendor just called that has done this in the past is no longer servicing the area. We are working on other options currently but have no results at this time.

This is Lot 3B McGrath 20 Tons Prilled urea.

**Answer #1**

*Please see Modification #1 for this Amendment #1*

**Question #2**

As needed quantities for lot 4D will need to be adjusted to the maximum quantity for the rear discharge trailer.

Current Cordova	30 Ton	Maximum 22 tons
Current Valdez	25 Ton	Maximum 22 tons.

**Answer #2**

*Please see the Modified ITB Attachment #1 Bid Schedule provided with this amendment #4.*
