Changes to the RFP:

Change 1: Section 3.01 of the RFP states: "Any proposal offering a constructional or structural modification to the room will be found non-responsive and their proposal rejected."

Change to: Offerors may propose constructional or structural modification to the executive conference room so long as the proposed work has minimal impact on the overall room design and décor. Any constructional or structural modification would be accomplished by the DMVA's Facilities Management Office and not the selected offeror. Costs for proposed constructional or structural modification are not to be included in the offeror's Cost Proposal.

Change 2: The new Deadline for Receipt of Proposals is Tuesday, March 14, 2023 at 2:00 p.m. Alaska time. Late proposals will not be accepted.
