## SECTION 1. INTRODUCTION & INSTRUCTIONS

### SEC. 1.01 PURPOSE OF THE ITB

The Department of Military and Veterans Affairs, Alaska Air National Guard Facilities Management Office, is soliciting bids from qualified bidders to provide janitorial service for the 168th Air Wing located on Eielson Air Force Base, Fairbanks, Alaska.

### SEC. 1.02 DEADLINE FOR RECEIPT OF BIDS

**Bids must be received no later than 2:00 pm Alaska Time on April 6, 2023.** Late bids or amendments will be disqualified and not opened or accepted for evaluation.

A public bid opening will be held at 2:30 p.m. Alaska Time on April 6, 2023, at which time bids will be publicly opened. The public bid opening will be held in the B216 conference room on the 2<sup>nd</sup> floor of the Alaska National Guard Armory, 49000 Army Guard Road, Suite B216, Joint Base Elmendorf-Richardson, Alaska.

Bidders who have access to Joint Base Elmendorf-Richardson may attend the opening in person at their discretion. The Procurement Officer **will not** arrange base passes or otherwise provide access to Joint Base Elmendorf-Richardson for bidders who do not already have access to the base.

Bidders who do not have access to Joint Base Elmendorf-Richardson but are interested in attending the public opening must contact the Procurement Officer via email at [MvaDasProcurement@alaska.gov](mailto:MvaDasProcurement@alaska.gov) for an invitation to the online opening on Microsoft Teams.

Bidders with a disability needing accommodation should contact the Procurement Officer prior to the date set for the public bid opening so that reasonable accommodation can be made.

### SEC. 1.03 PRIOR EXPERIENCE

No specific minimums have been set for this ITB.

### SEC. 1.04 INVITATION TO BID (ITB) REVIEW

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the Procurement Officer at least ten days before the bid opening date. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

### SEC. 1.05 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS

All questions must be in writing and directed to the Procurement Officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the ITB. The Procurement Officer will make that decision.

## SEC. 1.06 MANDATORY SITE VISIT

A **MANDATORY** site visit is scheduled for **10:00am** Alaska Time, on **Friday, March 24, 2023**. Potential bidders are encouraged to visit the work site so that they can see the conditions under which the work described in this ITB will be performed.

Please note that, with the exception of a recent deep cleaning, the facilities have not had contracted janitorial services for approximately one (1) calendar year and the Scope of Work has changed since the last ITB was issued for these services. Because of this **all bidders who attend the site visit must stay for the entire visit.** A bidder's failure to attend the site visit or who leave the site visit before visiting all facilities will preclude them from being able to perform the work in strict compliance with the true intent and meaning of the terms, conditions, and specifications of this ITB and submitted bids will be found non-responsive.

Attendees for the site visit are required to contact **Torey Hart at (907) 987-6701** three (3) days prior to the scheduled site visit so arrangements may be made for a base pass. Bidders will also be required to provide a valid ID and proof of vehicle registration and insurance for access to Eielson Air Force Base. No more than two bidder representatives will be allowed to attend. Bidders will meet at Building 3225 no later than **10:05am** Alaska Time on **March 24, 2023**. **Late bidders or attendees WILL NOT be afforded the opportunity to visit the site at a later date and time.**

The contact person is only empowered to allow potential bidders to view the work site. The contact person **cannot and will not answer potential bidder questions** regarding the work to be performed under this ITB or the terms, conditions and specifications of this ITB. Any questions potential bidders have must be directed to the Procurement Officer as required in Sections 1.04 and 1.05.

When the contract is completed, an informal debriefing may be performed at the discretion of the Procurement Officer. If performed, the scope of the debriefing will be limited to the products provided or work performed by the contractor.

#### **SEC. 2.14 INDEMNIFICATION**

The contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission or negligent act of the contractor under this agreement. The contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the contractor and the independent negligence of the contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis.

“Contractor” and “contracting agency”, as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term “independent negligence” is negligence other than in the contracting agency’s selection, administration, monitoring, or controlling of the contractor and in approving or accepting the contractor’s work.

#### **SEC. 2.15 INSURANCE**

Without limiting the contractor's indemnification, it is agreed that the contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the contractor's policy contains higher limits, the state shall be entitled to coverage to the extent of such higher limits.

Certificates of Insurance must be furnished to the Procurement Officer prior to contract approval and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

**Proof of insurance is required for the following:**

ITB 230000022 168<sup>th</sup> Air Wing Janitorial Services

- Workers' Compensation Insurance: The contractor shall provide and maintain, for all employees engaged in work under this contract, coverage as required by AS 23.30.045, and; where applicable, any other statutory obligations including but not limited to Federal U.S.L. & H. and Jones Act requirements. The policy must waive subrogation against the state.
- Commercial General Liability Insurance: covering all business premises and operations used by the contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per occurrence.
- Commercial Automobile Liability Insurance: covering all vehicles used by the contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per occurrence.

**END OF SECTION 2.**

## **SECTION 3. CONTRACT INVOICING AND PAYMENTS**

### **SEC. 3.01 BILLING INSTRUCTIONS**

All invoices produced by the contractor must be itemized by building and reflect the monthly charge for that building. Invoices must be number sequentially and reflect the contract number.

All payments will be NET 30-days upon approval of the invoice and required documentation by the state assigned Project Manager. Invoices must be billed electronically to ANG FMO no later than the 15th of the following month services were completed. A contact email will be provided to the contractor when the contract has been executed. Failure to submit timely invoices by the 15th of the following month of services may be cause for the cancellation of the contract.

Questions concerning payment must be addressed to the ordering agency.

### **SEC. 3.02 PAYMENT FOR STATE PURCHASES**

Payment for agreements under \$500,000 for the undisputed purchase of goods or services provided to a state agency, will be made within 30 days of the receipt of a proper billing or the delivery of the goods or services to the location(s) specified in the agreement, whichever is later. A late payment is subject to 1.5% interest per month on the unpaid balance. Interest will not be paid if there is a dispute or if there is an agreement that establishes a lower interest rate or precludes the charging of interest.

Any single contract payments of \$1 million or higher must be accepted by the contractor via Electronic Funds Transfer (EFT).

### **SEC. 3.03 PROMPT PAYMENT FOR STATE PURCHASES**

The state is eligible to receive a **5%** discount for all invoices paid within **15** business days from the date of receipt of the commodities or services and/or a correct invoice, whichever is later. The discount shall be taken on the full invoice amount. The state shall consider payment being made as either the date a printed warrant is issued or the date an electronic funds transfer (EFT) is initiated.

### **SEC. 3.04 THIRD-PARTY FINANCING AGREEMENTS NOT ALLOWED**

Because of the additional administrative and accounting time required of the state when third party financing agreements are permitted, they will not be allowed under this contract.

**END OF SECTION 3.**

## SECTION 4. EVALUATION AND CONTRACTOR SELECTION

A bidder does not need to complete the Alaska Veteran Preference questions on the form if not claiming the Alaska Veteran Preference. A bidder's failure to provide this completed form with their bid will cause the state to disallow the preference.

### **SEC. 4.04 ALASKA VETERAN PREFERENCE**

An Alaska Veteran Preference of 5%, not to exceed \$5,000, will be applied to the total bid price. The preference will be given to a bidder who qualifies under AS 36.30.990(2) as an Alaska Bidder and is a:

#### **Alaska Veteran Preference Certification**

### **SEC. 4.05 EMPLOYMENT PROGRAM PREFERENCE**

If a bidder qualifies for the Alaska Bidder Preference and is offering goods or services through an employment program as defined under AS 36.30.990(12), an Employment Program Preference of 15% will be applied to the total bid price.

#### SEC. 4.07 PREFERENCE QUALIFICATION LETTER

Regarding the Employment Program Preference and the Alaskans with Disabilities Preference, the Division of Vocational Rehabilitation in the Department of Labor and Workforce Development maintains lists companies who qualify for those preferences. As evidence of a company's right to the preferences, the Division of Vocational Rehabilitation will issue a certification letter. **To take advantage of the preferences, a bidder must be on the appropriate Division of Vocational Rehabilitation list at the time the bid is opened and must attach a copy of their certification letter to their bid.** The bidder's failure to provide this certification letter with their bid will cause the state to disallow the preference.

#### SEC. 4.08 EXTENSION OF PRICES

In case of error in the extension of prices in the bid, the unit prices will govern; in a lot bid, the lot prices will govern.

#### SEC. 4.09 METHOD OF AWARD

Award will be made to the lowest responsive and responsible bidder. In order to be considered responsive, bidders must bid on all items and provide all required information.

#### SEC. 4.10 NOTICE OF INTENT TO AWARD

After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. It lists the name of each company or person that offered a bid and the price they bid. It also provides notice of the state's intent to award a contract(s) to the bidder(s) indicated. A copy of the Notice of Intent will be provided to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the Procurement Officer. A company or person who proceeds prior to receiving a Purchase Order, Contract Award, Lease, or some other form of written notice from the Procurement Officer does so without a contract and at their own risk.

**END OF SECTION 4.**

## SECTION 5. GENERAL PROCESS AND LEGAL INFORMATION

### SEC. 5.01 ALASKA BUSINESS LICENSE AND OTHER REQUIRED LICENSES

Prior to the award of a contract, a bidder must hold a valid Alaska business license. #### **SEC. 5.04 SUITABLE MATERIALS, ETC.**

Unless otherwise specified in this ITB, all materials, supplies or equipment offered by a bidder shall be new, unused, and of the latest edition, version, model or crop and of recent manufacture.

#### **SEC. 5.05 SPECIFICATIONS**

Unless otherwise specified in this ITB, product brand names or model numbers specified in this ITB are examples of the type and quality of product required and are not statements of preference. If the specifications describing an item conflict with a brand name or model number describing the item, the specifications govern. Reference to brand name or number does not preclude an offer of a comparable or better product, if full specifications and descriptive literature are provided for the product. Failure to provide such specifications and descriptive literature may be cause for rejection of the offer.

#### **SEC. 5.06 CONTRACTOR SITE INSPECTION**

The state may conduct on-site visits to evaluate the bidder's capacity to perform the contract. A bidder must agree, at risk of being found non-responsive and having its bid rejected, to provide the state reasonable access to relevant portions of its work sites. Individuals designated by the Procurement Officer at the state's expense will make any site inspection.

#### **SEC. 5.07 ORDER DOCUMENTS**

Except as specifically allowed under this ITB, an ordering agency will not sign any vendor contract. The state is not bound by a vendor contract signed by a person who is not specifically authorized to sign for the state under this ITB. Unless otherwise specified in this ITB, the State of Alaska Purchase Order, Contract Award and Delivery Order are the only order documents that may be used to place orders against the contract(s) resulting from this ITB.

#### **SEC. 5.08 HUMAN TRAFFICKING**

By signature on their bid, the bidder certifies that the bidder is not established and headquartered or incorporated and headquartered in a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <http://www.state.gov/j/tip/>

Failure to comply with this requirement will cause the state to reject the bid as non-responsive, or cancel the contract.

#### **SEC. 5.09 RIGHT OF REJECTION**

Bidders must comply with all of the terms of the ITB, the State Procurement Code (AS 36.30), and all applicable local, state, and federal laws, codes, and regulations. The Procurement Officer may reject any bid that does not comply with all of the material and substantial terms, conditions, and performance requirements of the ITB.

Bidders may not qualify the bid nor restrict the rights of the state. If a bidder does so, the Procurement Officer may determine the bid to be a non-responsive counter-offer and the bid may be rejected.

Minor informalities that:

- do not affect responsiveness;
- are merely a matter of form or format;
- do not change the relative standing or otherwise prejudice other offers;
- do not change the meaning or scope of the ITB;
- are trivial, negligible, or immaterial in nature;
- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision;

may be waived by the Procurement Officer.

The state reserves the right to refrain from making an award if it determines that to be in its best interest. A bid from a debarred or suspended bidder shall be rejected.

#### **SEC. 5.10 STATE NOT RESPONSIBLE FOR PREPARATION COSTS**

The state will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any bid.

#### **SEC. 5.11 DISCLOSURE OF BID CONTENTS**

All bid prices become public information at the bid opening. After the deadline for receipt of bids, all other bid material submitted become the property of the State of Alaska and may be returned only at the state's option. AS 40.25.110 requires public records to be open to reasonable inspection. All other bid information will be held in confidence during the evaluation process and prior to the time a Notice of Intent to Award is issued. Thereafter, bids will become public information.

The Office of Procurement and Property Management (OPPM), or their designee recognizes that some information an offeror submits might be confidential under the United States or the State of Alaska Constitution, a federal statute or regulation, or a State of Alaska statute: i.e., might be confidential business information (CBI). *See, e.g.*, article 1, section 1 of the Alaska Constitution; AS 45.50.910 – 45.50.945 (the Alaska Uniform Trade Secrets Act); *DNR v. Arctic Slope Regional Corp.*, 834 P.2d 134, 137-39 (Alaska 1991). For OPPM or their designee to treat information an offeror submits with its proposal as CBI, the offeror must do the following when submitting their proposal: (1) mark the specific information it asserts is CBI; and (2) for each discrete set of such information, identify, in writing, each authority the offeror asserts make the information CBI. If the offeror does not do these things, the information will become public after the Notice of Intent to Award is issued. If the offeror does these things, OPPM or their designee will evaluate the offeror's assertion upon receiving a request for the information. If OPPM or their designee reject the assertion, they will, to the extent permitted by federal and State of Alaska law, undertake reasonable measures to give the offeror an opportunity to object to the disclosure of the information.

Per 2 AAC 12.480, the contractor may not transfer or assign any portion of the contract without prior written approval from the Procurement Officer. Bids that are conditioned upon the state's approval of an assignment will be rejected as non-responsive.

#### **SEC. 5.12 FORCE MAJEURE (IMPOSSIBILITY TO PERFORM)**

The parties to a contract resulting from this ITB are not liable for the consequences of any failure to perform, or default in performing, any of its obligations under the contract, if that failure or default is caused by any unforeseeable Force Majeure, beyond the control of, and without the fault or negligence of, the respective party.

For the purposes of this ITB, Force Majeure will mean war (whether declared or not); revolution; invasion; insurrection; riot; civil commotion; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment or labor because of priority, allocation or other regulations of any governmental authorities.

#### **SEC. 5.13 DEFAULT**

In case of default by the contractor, for any reason whatsoever, the state may procurement the goods or services from another source and hold the contractor responsible for any resulting excess cost and may seek other remedies under law or equity.

#### **SEC. 5.14 DISPUTES**

If the contractor has a claim arising in connection with the contract that it cannot resolve with the state by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – AS 36.30.632.

#### **SEC. 5.15 SEVERABILITY**

If any provision of the contract or agreement is found to be invalid or declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and, the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.

#### **SEC. 5.16 CONTRACT CANCELLATION**

The State of Alaska reserves the right to cancel the contract immediately for any breach of contract. The State reserves the right to cancel the contract if the State quits or surrenders the premises for any reason, by providing the contractor with a thirty (30) day advance written notice. Cancellation shall be made immediate if for any reason the premises become temporarily or permanently untenable. If temporarily untenable, once the premises are again usable, the Project Manager shall so notify the contractor and the janitorial services shall resume as though no disruption had occurred, except that payment shall be adjusted to reflect services not performed.

In the event the contract is cancelled, the state is only liable for payment in accordance with the payment provisions of this contract for supplies or services provide before the effective date termination.

#### **SEC. 5.17 GOVERNING LAW; FORUM SELECTION**

A contract resulting from this ITB is governed by the laws of the State of Alaska. To the extent not otherwise governed by Section 5.15 of this ITB, any claim concerning the contract shall be brought only in the Superior Court of the State of Alaska and not elsewhere.

## SEC. 5.18 SOLICITATION ADVERTISING

Public notice has been provided in accordance with 2 AAC 12.220.

## SEC. 5.19 QUALIFIED BIDDERS

Per 2 AAC 12.875, unless provided for otherwise in the ITB, to qualify as a bidder for award of a contract issued under AS 36.30, the bidder must:

- 1) Add value in the contract by actually performing, controlling, managing, or supervising the services to be provided; or
- 2) Be in the business of selling and have actually sold on a regular basis the supplies that are the subject of the ITB.

If the bidder leases services or supplies or acts as a broker or agency in providing the services or supplies in order to meet these requirements, the Procurement Officer may not accept the bidder as a qualified bidder under AS 36.30.

## SEC. 5.20 FEDERALLY IMPOSED TARIFFS

Changes in price (increase or decrease) resulting directly from a new or updated federal tariff, excise tax, or duty, imposed after contract award may be adjusted during the contract period or before delivery into the United States via contract amendment.

- **Notification of Changes:** The contractor must promptly notify the Procurement Officer in writing of any new, increased, or decreased federal excise tax or duty that may result in either an increase or decrease in the contract price and shall take appropriate action as directed by the Procurement Officer.
- **After-imposed or Increased Taxes and Duties:** Any federal excise tax or duty for goods or services covered by this contract that was exempted or excluded on the contract award date but later imposed on the contractor during the contract period, as the result of legislative, judicial, or administrative action may result in a price increase provided:
  - a) The tax or duty takes effect after the contract award date and isn't otherwise addressed by the contract;
  - b) The contractor warrants, in writing, that no amount of the newly imposed federal excise tax or duty or rate increase was included in the contract price, as a contingency or otherwise.
- **After-relieved or Decreased Taxes and Duties:** The contract price shall be decreased by the amount of any decrease in federal excise tax or duty for goods or services under the contract, except social security or other employment [taxes](#), that the contractor is required to pay or bear, or does not obtain a refund of, through the contractor's fault, negligence, or failure to follow instructions of the Procurement Officer.
- **State's Ability to Make Changes:** The state reserves the right to request verification of federal excise tax or duty amounts on goods or services covered by this contract and increase or decrease the contract price accordingly.

- **Price Change Threshold:** No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds \$250.

## SEC. 5.21 PROTEST

AS 36.30.560 provides that an interested party may protest the content of the ITB.

An interested party is defined in 2 AAC 12.990(a) (7) as "an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract."

If an interested party wishes to protest the content of a solicitation, the protest must be received, in writing, by the Procurement Officer at least ten days prior to the deadline for receipt of bids.

AS 36.30.560 also provides that an interested party may protest the award of a contract or the proposed award of a contract.

If a bidder wishes to protest the award of a contract or the proposed award of a contract, the protest must be received, in writing, by the Procurement Officer within ten days after the date the Notice of Intent to Award the contract is issued.

A protester must have submitted a bid in order to have sufficient standing to protest the proposed award of a contract. Protests must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;

The Procurement Officer will issue a written response to the protest. The response will set out the Procurement Officer's decision and contain the basis of the decision within the statutory time limit in AS 36.30.580. A copy of the decision will be furnished to the protester by certified mail, fax or another method that provides evidence of receipt.

All bidders will be notified of any protest. The review of protests, decisions of the Procurement Officer, appeals, and hearings, will be conducted in accordance with the State Procurement Code (AS 36.30), Article 8 "Legal and Contractual Remedies."
