LOG NUMBER: EG-F22-226

DETAILS:

Management Unit or Area (if applicable): Unit 12 and 20E

Topic (if applicable): Hunting

Additional Topics (if applicable):

Meeting Name: Interior and Eastern Arctic Region

AAC: 5 AAC 85.056

Issue:

Extend the wolf hunting season in Units 12 and 20E to June 15th. This would give the option to harvest wolves during a portion of the spring bear season. This would also provide for additional sustainable wolf hunting opportunity for those interested in harvesting wolves during spring and early summer.

Solution:

Unit 12 and 20E wolf hunting season, Aug 1- June 15th.
