Addendum Number 1
ITB 23-24-210770
Railroad Tie Disposal
Bid Closing: ~~April 27, 2023~~ May 3, 2023

This addendum is issued to provide information as follows:

BID CLOSING HAS BEEN EXTENDED TO MAY 3, 2023.

SECTION C, SCOPE OF WORK AND SECTION H, REQUIRED CONTRACT PROVISIONS FOR FEDERAL-AID CONTRACTS HAVE BEEN REPLACED IN THEIR ENTIRETY.

Bidders Questions:

1. Will the RR palletize and band them prior to putting in gondolas?

Answer: ARRC will not bundle or palletize the ties, or re-handle them any more than necessary. Containers will be loaded with as many as possible.

2. What type of hardware will be left on the ties?

Answer: The metal left in the ties will primarily be the end plates and an occasional broke off spike or screw. An actual tie plate may slip through occasionally, but that would be an exception, not a regular occurrence.

Please acknowledge receipt of this and all addendums via email. **All other dates, terms and conditions remain unchanged.**

Please direct all responses and/or questions concerning this solicitation to Candice Humphrey, via email HumphreyC@akrr.com.
