Questions submitted by potential offerors and answers from the state:

Question 1: Do you want me to put anything in the RFP about potentially hiring someone in the future or should I wait until I can for sure do that.

Answer: YES. If, you are going to have a subcontractor and know who they are and are sure they will be your sub you should mention it and provide a resume at minimum. As for Licenses and other things that can be provide prior to start of the contract, he just won't be able to perform work until everything is received and is approved.

Question 2: Also, if I do hire him, would I bill for his hours as well as mine?

Answer: YES, you can include all in one invoice.
