The purpose of this Amendment #2 is to:

- **Provide Answers To Questions Received**
- **Provide an Amended Bid Schedule**

**Questions and answers**

**Question #1:**

Lot 1 Bethel

Deliver first barge and no later than July 1, 2023. The cut off for the first barge is May 22 to Bethel.

Based on ITB schedule best case scenario for contract would be May 16, 2023.

If there are any delays this in issuing the contract or even if it is issued on May 16th, it will be difficult to meet this deadline. A by August 1st delivery date would be more appropriate at this point. I believe last year the contract was issue earlier.

**Answer #1:**

Deliver first barge and no later than August 1, 2023 is acceptable to the State for this location. Please see the Amended Bid Schedule provided with this Amendment #2.

**End of questions and answers.**

**Attachment #1 Bid Schedule has been modified for this Amendment #2:**

The Bid Schedule is amended and included with this *Amendment #2*. Bidders MUST complete and return this Amended Bid Schedule with their offer in order to be considered responsive. Failure to submit the Amendment #2 Bid Schedule with your offer will cause your offer to be deemed non responsive and your offer rejected.

Due to the timing of this Amendment #2, bidders that have already submitted their bid, can submit this Amendment #2 and this Amendment #2 Bid Schedule electronically by email to: [dotstatewideprocurement@alaska.gov](mailto:dotstatewideprocurement@alaska.gov)

Bids received after the Due Date and Time will be considered Non-responsive.
