**THIS IS NOT AN ORDER**

**DATE AMENDMENT ISSUED: 4/28/23**

**RFP TITLE: 2024-0700-0007 Child Care Workforce Study**

**RFP OPENING DATE AND TIME:**

This amendment is being issued to respond to questions received from prospective proposers:

Question 1 We are curious how the child care workforce referred to in the RFP is defined. Will it be the definition used in the Johns Hopkins 2019 study: "We refer to all educational staff who directly work with early childhood and school-age children as **"early childhood educators."** This includes educators in child care centers, Early Head Start or Head Start programs, child care homes or large group homes, non-relative or relative child care programs, publicly funded pre-kindergarten programs, and private preschools"?

Response 1 We will keep the definition the same.

"We refer to all educational staff who directly work with early childhood and school-age children as **"early childhood educators."** This includes educators in child care centers, Early Head Start or Head Start programs, child care homes or large group homes, non-relative or relative child care programs, publicly funded pre-kindergarten programs, and private preschools"
