

3 AAC 305.120. Waiver of annual operating requirement and minimum operating requirements. (a) Except as provided in this section, the board will deny an application for renewal of a license or a license with one or more endorsements if the licensed premises were not operated for the time required under AS 04.11.330(a)(3) or (d).

(b) A licensee may apply to the board, requesting that the board waive the operating requirement of AS 04.11.330 (a)(3) or (d). Under AS 04.11.330(a)(3), the board will determine whether, through no fault of the licensee or because the premises are under construction, the licensed premises could not be operated for the required time during the preceding calendar year.

(c) An application for waiver for a calendar year must be made in writing to the board and must be accompanied by the non-refundable application of:

(1) an amount equal to one-half the applicable biennial license fee if a waiver application was not made for the previous year; or

(2) double the amount of the fee paid for the previous year's waiver application.

(d) In an application for waiver, the licensee must explain why the licensed premises were not operated. Additionally, the licensee must provide a copy of the application to the local governing body, if any, having jurisdiction over the license and licensed premises.

(this subsection was broken down in 1 and 2 from the original to add 2.) (e) The board may, in its discretion, deny a third or subsequent, consecutive application for waiver, unless

(1) the licensee clearly shows that the licensed premises were not operated, because the premises were condemned or substantially destroyed by any cause. If the premises identified on an applicant's license are not leased or owned by the licensee, the third or

subsequent application will, in the board's discretion, be denied. Additionally, a third or subsequent consecutive application for waiver that does not identify a licensed premises location will, in the board's discretion, be denied; or

(2) the licensee holds a common carrier dispensary license and it's a boat weighing over 1,000 tons.

(f) The board may in its discretion, impose conditions along with the approval of an application for waiver.

(g) If an application for waiver is denied, an application for license renewal for the succeeding license period will be denied by the board under AS 04.11.330(a)(3).

(h) In addition to the application fee under (c) of this section, the applicant shall pay \$1,000 for an application that is received too late for board consideration at its last meeting of the calendar year for which waiver is requested.

(i) In circumstances of death of a licensee, destruction of the premises, or comparable circumstances showing extraordinary hardship, the board may, in its discretion, waive the fees under (c) and (h) of this section.

(j) If a license is exercised only to satisfy the minimum operating requirement under AS 04.11.330(a)(3) or 3 AAC 305.110, a licensee shall operate in a similar fashion to other licensed premises of the same type by meeting the following operating requirements if appropriate for the license type:

(1) provide signage, of sufficient size and visibility to show that the premises is open for business, stating business name and hours of operations;

(2) offer for sale at the licensed premises, as appropriate to the type of license, a

variety of malt beverages, wines, and distilled spirits;

(3) visibly display the alcoholic beverages stock in a licensed package store premises;

(4) provide seating in beverage dispensary licensed premises for at least one-half of the maximum number allowed by the occupancy permit;

(5) comply with all state or municipal health, fire, and zoning laws or ordinances required for the operation of business;

(6) maintain a record of all purchases of alcoholic beverages for resale on the licensed premises; and

(7) record sales with a cash register or point of sale system that retains a record of transactions.

(k) The licensee has the burden of proof to show that the licensed premises was operated for the minimum required period of time and met the operating requirements under (j) of this section. The licensee may provide receipts, invoices, photographs, permits, timecards, and other records to meet the burden of proof. If the licensee fails to provide proof that one or more of the operating requirements was met, the board may consider additional documentation provided by the licensee to determine whether the licensee has met the burden of proof.

(l) If a new license is issued between November 20 and December 31, the licensee is exempt from filing a waiver of annual operating requirement for that year. (Eff.
