

# STATE OF ALASKA

Department of Transportation & Public  
Facilities  
Alaska Marine Highway Systems

## Managing the Anti-Drug and Alcohol Program for the Alaska Marine Highway System

RFP 2524S005  
Amendment Two  
May 16, 2023

**This amendment is being issued for clarification purposes.**

Due to the recent acceptance of Oral Fluid (OF) for drug testing, the probability of AMHS switching from its primary method to OF in our drug and alcohol testing policy prior to the end of the contract is present. With the understanding a change in testing methods could occur, the State is requiring pricing for both testing methods.

The Estimated Annual Usage listed on the Cost Proposal is for evaluation purposes only. The State does not guarantee a minimum or maximum annual usage.

**Important Note to Offerors:** You must sign and return this page of the amendment document with your proposal. Failure to do so may result in the rejection of your proposal. Only the RFP terms and conditions referenced in this amendment are being changed. All other terms and conditions of the RFP remain the same.
