RE: ADDENDUM NO. 01 TO REQUEST
FOR PROPOSALS (RFP) PACKAGE:

25233036

Various; Southcoast Region Construction CMGC & Independent Cost Estimating (ICE) Services 2023
Term Agreement

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. The proposal due date remains unchanged.
2. Proposer Questions & Answers:

Q1: The Southcoast Region Construction CMGC & Independent Cost Estimating (ICE) Services 2023 Term Agreement (RFP #25233036) RFP includes language about Design-Build (DB) and Progressive Design-Build (PDB) on page one of the Statement of Services. We were wondering if this is carryover language from the Alternative Contract Delivery Program Management & Project Control RFP (#25233023) or if it is DOT&PF's intent to include PDB and DB projects in this contract.

A1: Yes, our intention was to include Progressive Design Build and Design Build projects to this agreement as independent cost estimating may be necessary during those alternate delivery processes.

All other terms and conditions remain the same.
