The DD Shared Vision

Alaskans share a Vision of a flexible system in which each person directs their own supports, based on their strengths and abilities, toward a meaningful life in their home, their job, and their community.

Our Vision includes supported families, professional staff, and services available throughout the state now and into the future.

The council is interested in **your ideas** on how the current guardianship crisis is impacting families and individuals with guardianships in place. We also want to hear about potential alternatives to guardianship like Supported Decision-Making Agreements.

Equal Opportunity Program: ASL and other reasonable accommodations are available upon request. Call us at (907) 269-8990 or email at gcdse@alaska.gov by May 25, 2023.
