SUBJECT: Corrections to the Alaska
Administrative Code (AAC):
arrangement of 3 AAC
08.900 -3 AAC 08.950

In accordance with my authority under AS 44.62.125(b)(6), please forward to the publisher the corrections to the Alaska Administrative Code (AAC) described below. These revisions correct manifest errors in the arrangement of sections.

In the securities regulations (3 AAC 08). Article 7 (Small Intrastate Securities Offerings) incorrectly includes some sections that should be grouped with Article 8 (General Provisions). The misarranged sections are 3 AAC 08.900, 3 AAC 08.915, 3 AAC.08.930, 3 AAC 08.940, and 3 AAC 08.945. Please relocate those sections to Article 8 where they belong, ensure that all the sections assigned to Article 8 are in their proper order, and adjust the section listings for Articles 7 and 8 accordingly.

In addition, after the section listings for Articles 7 and 8, as well as after each relocated section, please insert an editor's note to read as follows:

Editor's note: As of Register 246 (July 2023), the regulations attorney made corrections under AS 44.62.125(b)(6) to 3 AAC 08, so that sections misplaced within Article 7 (Small Intrastate Securities Offerings) are correctly rearranged and grouped within Article 8 (General Provisions).

Thank you for your assistance, and please contact me if you have additional questions.
