DATE AMENDMENT ISSUED: 7/10/2023

RFP TITLE: Conference Facilitation

NOTE!!!! This question was asked by a potential bidder on June 30, 2023 @ 1:34 PM. Administer of this IRFP was out of offices until today, 7/10/23.

This amendment is being issued to respond to questions received from prospective proposers:

- Question 1 Within the scope of work, it mentions surveys. Could you elaborate on the expectations of the surveys a little bit? How many people / orgs are you looking to survey? Would the survey be about workforce needs? Or convening related? Are you hoping the survey then informs the conference agenda?
- Answer 1 The survey included in the IRFP would be conducted with invited participants to help set the stage for the convening conversations and to help inform the focus of the convening agenda. The projected total number of participants in the convening is around 75. The primary group to participate in the surveys would be members of private industry.
