

BEHAVIORAL HEALTH ROADMAP PROJECT

FOR ALASKA YOUTH

WHAT

Community Listening Session about Behavioral Health Services for Children and Youth

WHEN

August 2nd
6:00 - 8:00 p.m.

WHERE

Wedgewood Resort in Fairbanks, AK

FOR WHOM

Those with lived experience with behavioral health needs for children/youth, including parents, grandparents, family members, youth, caregivers, and guardians.

ABOUT WHAT?

Individuals will have the opportunity to share their experiences in accessing behavioral health for youth in the region and offer recommendations for improving access or providing additional supports and services in the system of care. Information gathered during this session will help inform the statewide behavioral health roadmap (learn more at <http://bhroadmap.alaska.gov>).
