

Issue Date: August 28, 2023

ATTN: Vendors

RE: Project Name: Hooper Bay Interior Restoration
Project Number: 0252123012
Project Location: Hooper Bay, Alaska

Addendum # One (1)

This addendum forms a part of the contract documents and modifies the original drawings and/or specifications for the subject work. In case of conflicts between this addendum and previously issued documents, this addendum shall take precedence.

The following additions are required:

1. The original published closing date for bids for this project was September 6, 2023 at 1:00PM. This will be amended to bids closing on Monday September 11, 2023 at 1:00 PM Alaska time.
2. On the opening page of the OPN it states there will be a **Mandatory** pre-bid walk-through on August 30, 2023 at 12:00. Due to the weather conditions limiting flights to and from Hooper Bay, it has been deemed unfair to prospective bidders to make the pre-bid walk through mandatory and has been changed to **Strongly Advised**. Please contact the project manager if you cannot attend the pre-bid on August 30 and he will try to make arrangements for prospective bidders to view the project.

This addendum is considered part of the Invitation to Bid (ITB) and is to be acknowledge on your bid proposal.

Please contact me if you have any questions.

Sincerely

Jay Friesen
