Addendum # One (1)

This addendum forms a part of the contract documents and modifies the original drawings and/or specifications for the subject work. In case of conflicts between this addendum and previously issued documents, this addendum shall take precedence.

The following administrative changes have been made to this ITB:

1. This addendum is being issued to update existing BID Schedule to reflect correct Add Alternates. Please see updated BID Schedule on page 3 of this addendum.

Questions and Answers:

1. Does the Basic Bid just cover Phase 1 of Attachment 1?
 - A. That is correct. Phase 1 will be the initial work performed under this contract.
2. What are the completion dates for Added Alternates?
 - A. The completion dates for the added alternates will be determined between the contracted vendor and the project manager and are solely dependent on available funding.
3. Added Alternate #7 in the Bid Schedule completes Option #7 in the General Requirements. There is no Option #7. What is required?
 - A. There will be no seventh Added Alternate. Administrative error has been corrected and updated BID Schedule is attached.

4. Is there an on Base dump site for unwanted limbs, rocks, vegetation, etc.?
 - A. For tree removal, there will be dump sites designated by JBER on base. For miscellaneous debris such as rocks and vegetation, the contracted vendor will need to dispose of them per the terms of the contract on an off-base dump.
