Questions submitted by potential offerors and answers from the state:

Question 1: In Section 3.08 - Location of Work, it is stated that there should be a price proposal for transportation to Elim. Is this potentially a typo and it was meant to say Wasilla instead?

Answer: The Location of Work specified in SEC. 3.08 is at the Alcantra Armory located at 3601 E Bogard Rd, Wasilla, AK 99654. The statement brought to question shall be modified to state, "The contractor should include in their cost proposal: transportation, lodging, and per diem costs sufficient to cover costs for all necessary trip(s) to Wasilla, Alaska (Alcantra Armory). Travel to other locations will not be required."

Changes to the IRFP:

Change 1: The question brought forth above, may require a cost-effective material change in proposals. For the forgoing reasons, the deadline for receipt of proposals shall be modified. The deadline for receipt of proposals will extend from September 11, 2023, to September 13, 2023, at 2:00 PM prevailing Alaska Time. This is to allow interested parties additional time for corrections to be made, if any should apply.
