Re: *5 AAC 75.076(a): Dept. of Fish & Game - Update to Logbook, Registration Forms, Guide*

Our file: 2023200249

Dear Lieutenant Governor Dahlstrom:

The Department of Law has reviewed the attached regulations of the Department of Fish and Game against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Department of Fish and Game after the close of the public comment period.

The regulations update the adoption by reference of the Department of Fish and Game's *Saltwater Logbook and Registration* reporting forms and *Freshwater Registration* reporting forms, from the 2023 to the 2024 forms. Only the year printed on the forms is changing.

The July 25, 2023 public notice and the August 29, 2023 adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.060 is not required.

No technical corrections were necessary to conform the regulations in accordance with AS 44.62.060.

Sincerely,

TREG TAYLOR
ATTORNEY GENERAL
