 Project Number: 02A7023006
 Project Location: JBER, Alaska

Addendum # Six (6)

This addendum forms a part of the contract documents and modifies the original drawings and/or specifications for the subject work. In case of conflicts between this addendum and previously issued documents, this addendum shall take precedence.

The following administrative changes have been made to this ITB:

1. This addendum is being issued to extend the deadline for receipt of bids until September 14, 2023, at 2:00pm Alaska Time. Late bids will not be accepted.
2. This addendum is being issued to remove from this solicitation and any referenced addendum the requirement to make repairs based on an hourly rate as described per General Requirements, Section 1.03, C. (6). Work performed under this contract shall meet the requirements as described in this solicitation.
3. This addendum is being issued to update the existing BID Schedule to remove the second Basic Bid option which describes work performed at an hourly rate.
4. This addendum is being issued to add the Bid Bond form to this solicitation.

Questions and Answers:

1. In response #4 you said that wire would only be replaced if needed and approved by the project manager. Are existing L-823 connectors to remain, unless directed by the project manager to replace and then replaced under

the hourly labor rate?

- A. L-823 connectors shall be replaced under the first Basic Bid portion of work listed under the BID Schedule.
2. In response #14 it states that the bid opening is on September 12, 2023. This also refers to Addendum #4 that has the bid date on September 13, 2023. Please clarify the confusion between these bid dates.
- A. The correct deadline was supposed to be September 13, 2023 under Addendum #5, but the deadline has since been extended until September 14, 2023, at 2:00pm Alaska Time per addendum #6.
3. In addendum #5 it is indicated that damaged conduit and wire will be replaced by the direction of the project manager, and paid for under the specified hourly rate on the bid schedule per 1.03, C. (6). The Basic Bid item Hourly rate states to provide Labor, Material, Equipment, and supervision to complete the repairs as directed. Material and equipment do not have an hourly rate. They should have a cost-plus markup specified. Please clarify this for the Time and Material work scope.
- A. Please see Administrative Change #2 under this addendum. There will be no work that will be performed at an hourly rate.
4. Are cashiers check for 5% of bid amount in Lieu of a Bid Bond acceptable for this bid?
- A. No. A bid bond will be required to be submitted.
