LAS 13753

Traditional Boundary Description of Reindeer Grazing Permit

The following description is contained within the Kateel River Meridian.

Beginning at the mouth of the Kiwalik River on Kotzebue Sound near the village of Candle;

Proceed northeasterly along the shoreline of Sparafief Bay to Elephant Point;

Thence easterly along the shoreline to Igloo Point;

Thence following the shoreline around Eschscholtz Bay to the left bank of the Kauk River;

Thence following the left bank of the Kauk River to the common boundary between T10N and T9N;

Thence west along said township boundary to the southwest corner of T10N, R9W;

Thence south following the common boundary between R9W and R10W to its intersection with the West Fork of the Buckland River in T5N;

Thence proceed southerly following the West Bank of the West Fork until it again intersects the boundary common to R9W and R10W in T3N;

Thence south along the above described common boundary until it intersects the continental divide;

Thence along the continental divide to the northern point of Granite Mountain, located in section 32, T1N, R12W;

Then proceed northerly to the headwaters of Quartz Creek, located in Section 17, T1N, R12W;

Then proceed northwesterly along the right bank of Quartz Creek to the junction with the Kiwalik River;

Thence continuing northerly along the right bank of the Kiwalik River to the mouth of the Kiwalik River on Kotzebue Sound, the point of beginning.
