

SUBMITTAL FORM G – Subcontractors

Please complete this form if using subcontractors. During contract negotiation, the state may require a signed written statement from each subcontractor that clearly verifies the subcontractor is committed to performing the services required by the contract. Prior to contract award, the state will approve all subcontractors and also require evidence that a subcontractor possesses a valid Alaska business license if they will be performing work within Alaska. Only critical team members should be listed below.

Subcontractor Name	Subcontractor Function	Subcontractor Contact Information	% Of Work Performing
